First Wheat Harvested

SIEGFRIED BOLTE, who farms south of Umberger on land owned by Bob Geigel, brought the first load of wheat out in Randall County to the Trans-Con Elevators in Umberger Tuesday afternoon. The dry-land wheat made better than eight bushels to the acre and had a moisture content of 14.08. Bolte, who farms about 47

acres, said 36 head of cattle had grazed on the wheat for 120 days and only .68 inches of moisture had been recorded. The 174 bushels cut from the 20-odd acres weighed 10,440. Bolte will receive \$1.60 per bushel and a \$5 bonus from the elevator.

Bill Clifford Trial Date Predicted For August

By Bob Kerr
Special Correspondent
DENTON—Bill Clifford, 33, a Panhandle farmer - rancher will more than likely go on trial for murder here sometime in August. Dist. Atty. John Lawhon said Wednesday the trial "would be most convenient in August. We need to call a special venire since it is a capital case."

Clifford is charged with the April 8 slaying of his estranged wife in an apartment house near West Texas State University at Canyon. Three of the couple's four children witnessed the shooting. The case was placed in the Denton District Court on a change of venue.

Lawhon said he has already recommended a trial date sometime in early August. He said that Randall County Dist. Atty. George Dowlen will be in

Denton Friday to make final arrangements. Lawhon said that the availability of a district judge will be the only complication for an August trial. Dist. Judge W.C. Boyd, who presides over the court in Denton County, will be holding court at Gainesville throughout the month of August. Boyd will have to make arrangements for a guest judge to either sit at Denton or Gainesville.

Clifford is being held in the Denton County jail without bond. He was transferred to the Denton jail May 28 after the change of venue was granted. Clifford has declined to talk with reporters from his cell. Deputies at the jail said he has been a model prisoner. His attorneys, Shuford Farmer of Waco and Frank Baughman of Amarillo, have visited him since he has been in jail here.

Dowlen will prosecute the case. Lawhon said he will assist Dowlen in empaneling a jury.

Rainfall Is Short For May

Much needed moisture drenched the city and much of the surrounding area last Wednesday night.

Lightning cut a feeder circuit in the south part of Canyon, causing a power failure that lasted for more than an hour.

The gauge at the Randall County Sheriff's office registered 1.45 inches; Edgar Robinson in the Jewell Community reported an inch; Forrest Gruner, north of the city received a 1.40 total; Charles Conaster east of Canyon reported 1.40; and Maria Fortin, who farms 10 miles north west of town, received 1.45.

At the close of May, rainfall had totalled 3.35 inches. The normal for the close of May is 6.43 inches of moisture, however this fell short by 3.15, said Dr. M.B. Measamer, head of the West Texas State University geology department who compiles weather information here.

During the first two days of June, rainfall totalling .17 and 1.30 fell, he said. High temperature recorded in Canyon last week was 92 degrees with a low of 57.

was conducted Tuesday evening. Those returning to the board are Bill Patke and Emil Olson. The meeting was held in the Rex Reeves Elementary School All Purpose Room.

Arnold Prichard, manager of Consumers, told the 75 members present "we have come a long way in 12 or 14 years." He also cited progress in maintenance and repairs, plans for a new office and free services from the operation, which, he said, "goes with the business."

Cindy Gruner, a member of a recent Producer's Grain Corporation Talent Tour, told the group of her trip through various points of interest in the State.

The organization also saw a film concerning anhydrous ammonia and its production in Plainview. The film was sponsored by Southern Farm Supply Association.

Winners of five \$20 door prizes were John Plaster, George Albers, James Lamb, Mrs. Newton Crain and Del Crist.

Canyon, Randall Funds Asked By Medical Center

County Commission Postpones Action

A request by supporters of the Amarillo Medical Center for a \$5,000 donation was presented to Randall County Commissioners Court on Monday.

Backers of a plan to employ a medical coordinator for the Center who appeared before the court were Dr. James P. Cornette, president of WTSU; Mayor F.V. Wallace of Amarillo; and Charles Lutz, president of the Amarillo Chamber of Commerce.

Action on the request was postponed for one week to allow the district attorney to determine some way in which the money could be raised by the county for the medical center budget.

This same amount, \$5,000 was also requested in the budget for 1967 and 1968 and will be used for the development of para-medical services and a school of Health Sciences.

Also being asked to contribute to this project are the Amarillo Hospital District, \$20,000; City of Amarillo, \$10,000; Potter County, \$5,000; and the City of Canyon, \$500.

According to Mayor Wallace the Center of Health Sciences would educate nurses, X-ray technicians and others assisting medical personnel in connection with West Texas State University and Amarillo College.

Dr. Cornette explained, "The medical education program will

increase enrollment in West Texas State University which will be the degree-granting institution for most of the disciplines in the Center for Health Sciences." There is no other school in the state which would have the type of health science program to be offered. Many have parts of this program, but this program would be complete. Having all phases of a medical program under one roof is a relatively new idea, (See COUNTY, Page 7)

REQUESTING FUNDS from Canyon City Commissioners Monday for a medical coordinator in the Amarillo Medical Center were Dr. James P. Cornette, West Texas State University president, left; Amarillo Mayor F.V. Wallace; and

Charles Lutz, president of the Amarillo Chamber of Commerce. At right is Gary Gwyn, Canyon's city manager. The trio also made a plea for contributions from the Randall County Commissioner's Court.

Recommendations Heard By City Council

Three promoters of the Amarillo Medical Center appeared before the Canyon City Commission and requested that the city pay \$500 as part of the salary of a medical coordinator.

Dr. James P. Cornette, West Texas State University president; Charles Lutz, president of the Amarillo Chamber of Commerce; and Amarillo Mayor F.V. Wallace, made the request Monday evening at City Hall.

They reported that Louise Evans, chairman of the medical education committee, has already collected \$53,900 for the project.

A break-down of some of the figures sought are Amarillo, \$10,000; Amarillo Hospital District, \$5,000; Potter County, \$5,000; Amarillo College, \$10,000; WTSU, \$4,800; and \$5,000 from Randall County Commission.

Commissioners seemed to favor the proposal and passed a resolution endorsing the project.

They did, however, table action on a decision until the legal aspects of the request could be studied.

In regular commission business they agreed to spend more than \$8,000 for seal coating city streets this year.

In the coating process, not

asphalt and other materials are sprayed on the streets with uniformity to fill cracks and other damages. Fine rock is then poured as a topping to the adhesive substance.

City Manager Gary Gwyn said the protective coating should last five years. Actual cost to the city will be \$8,824.42 and (RECOMMENDATION, Pg 7)

Citizen's Committee Sets Meet

The Citizen's Committee, which was formed to study problems of community moral attitudes, will hold a business session Sunday afternoon.

Lotus Hinders, chairman, stated that the meeting will consist of findings from various appointed committees within the group and the public is invited to attend the session and offer their suggestions.

The meeting will begin at 3 p.m. Sunday afternoon at the First Baptist Church of Canyon.

Connally Candidate Gets Voter Approval

BY MARY ANN WALTER
Randall County Democrats backed up their pledge of support for Gov. John Connally and his platform by giving the Connally-endorsed candidate for attorney-general an overwhelming majority on Saturday.

Following a statewide trend, in the second primary, Crawford Martin of Hillsboro led Franklin Spears to defeat to the tune of 688 to 285 in two Randall boxes including the absentee ballots.

At the Randall County Courthouse, of 219 ballots cast, 144 votes were for Martin and 75 for Spears. In Amarillo at the Randall County Annex on Bowie St. 728 votes were cast with 528 for Martin and 200 for Spears. The same ratio of better than 2-1 was noted in absentee balloting with 16 of 26 votes cast for Crawford Martin and 10 for his opponent.

Totals statewide ran 362,624 for Martin and 285,922 for Spears, in returns from 242 of 254 counties.

Strong support for Martin in rural areas and the metropolitan districts of Tarrant, Dallas and Travis Counties helped capture the state-wide election.

Although Martin was not the most dynamic candidate the Demos could have pushed to fill the office being vacated by Waggoner Carr, the populace found

'Playday' Is Sunday

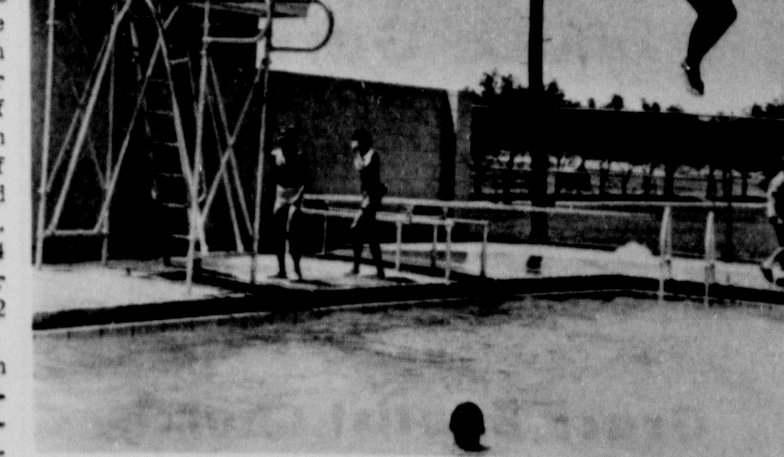

District II "playday" will be held Sunday at the Randall County Sheriff's Posse arena, east of Canyon.

Games will begin at 9 a.m. with entry deadline at 10 a.m. according to Clark Jarnagin, District II president.

An estimated 150 entries from clubs throughout the Panhandle are expected to participate in the all-day event.

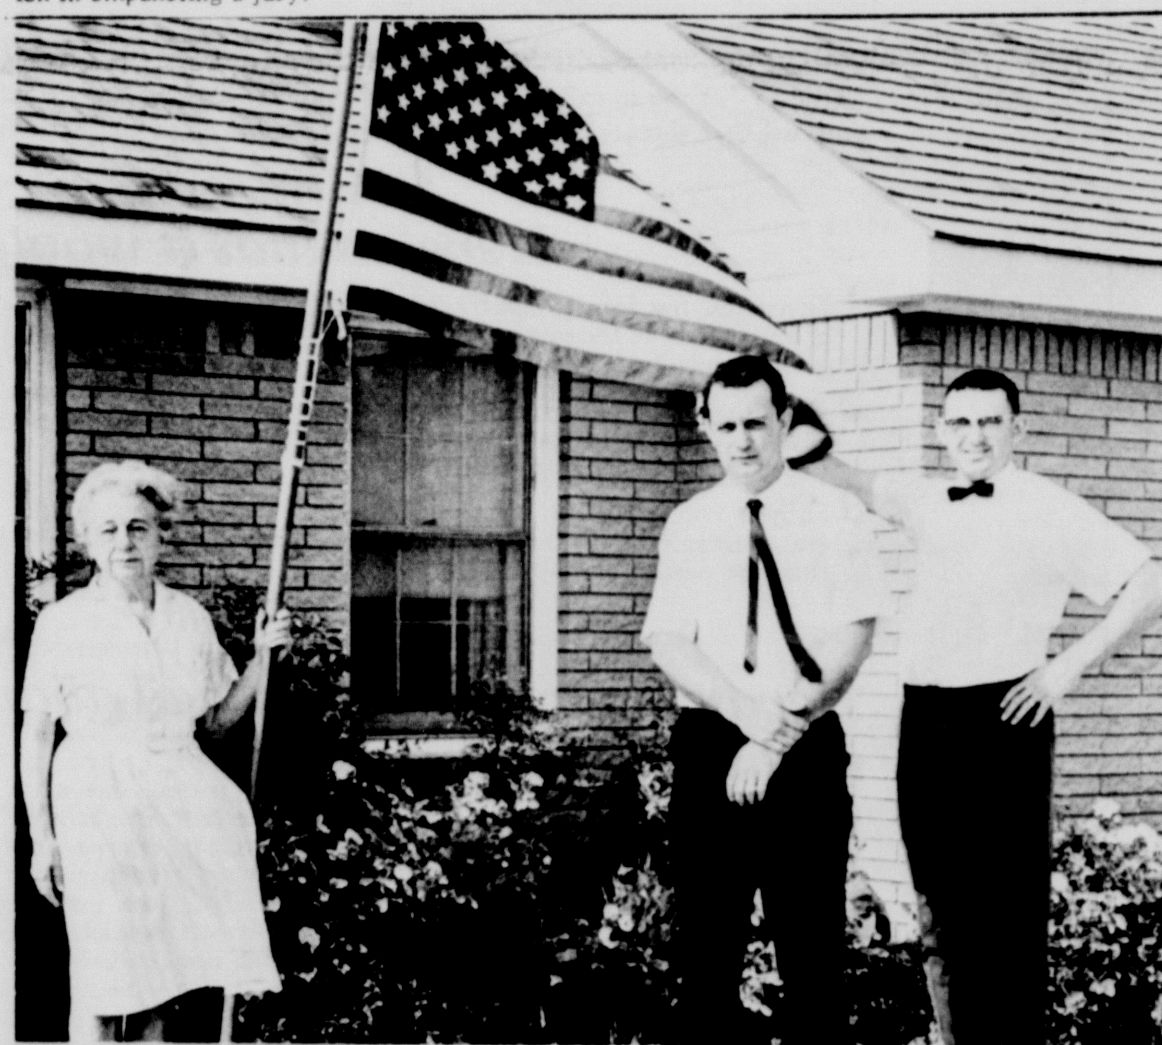

Sunday morning worship service will be conducted at 11:30 a.m. on horseback.

Six divisions will be available for competition including male (See PLAYDAY, Page 7)

Flag Day, Tuesday

MRS. CLYDE WARWICK supervises the erection of a United States flag at her residence by Jim Scott and Delbert Turk, right, who are members of the Canyon Junior Chamber of Commerce. Flags will be flown throughout the business district and at several local

residences by the Jaycees on Tuesday, June 14, in observance of Flag Day. Flags are flown through the Jaycee flag contract on a majority of national holidays and for several days during local homecoming activities and the annual Randall County Roundup.

'Crop, Cattle Clinic' Is Held By Bob Price

In a scheduled "Crop and Cattle Clinic" held in Canyon Monday Bob Price of Pampa lashed out again at the "reckless meddling of un-informed federal bureaucrats" in relation to agriculture.

The basic objection voiced was that government control of

the farm destroys freedom of action and initiative. It is more important the direction you are going, than the speed at which you are traveling.

Cosby stated that the farm program is "wrapped up in a package that looks good and people buy it."

Price added that "If they quit taxing us so much we could do some of these things ourselves." He indicated that young people are leaving the farm referring to the fact that the average age of the farmer is 58 and that in 1960 there were 12 million farm families. In 1965 this number had dropped to 8 million.

Price also noted that 61 per-

An Editorial

by Jim Martin

In two world wars Americans have rallied to conquer evil nations which have sought to enslave us. On countless occasions we have risen to defend the freedom of smaller countries whose liberty was threatened by forces from without.

Yet, with all our eagerness to defend to the death our own liberty as well as that of others, we have sat idly by and watched while Federal power devoured, one by one, those rights to "life, liberty and the pursuit of happiness" we loved so dear.

Indifference toward legislation before the Congress of the United States has long been the practice of the American people in general.

On the issue of civil rights in particular, have Americans been slow to speak. Just as sure as Americans have been slow to speak out, the Federal government has been swift to take from us those liberties which have been so gallantly defended by all races of Americans in years gone by.

Presently before the Congress of the United States is a Civil Rights Bill, H.R. 14765 and S. 3296. Title IV of this bill is a drastic measure designed to force property owners to sell to persons not of their own choosing. This drastic, Federally forced, housing law would destroy your basic rights as an American citizen.

This is indeed a forced, not fair housing proposal.

Civil Rights, relating to the private rights of an individual in a community, state, or nation, apply to all. To enact into law a proposal such as this would destroy the very rights for which Americans of all races have fought and died. It would further make a mockery of the term, "civil rights" which it supposedly seeks to protect.

Our children can no longer enjoy many of the freedoms which were prevalent in the past. These "lost freedoms" have been sold for a morsel, namely the comfort of today without thought of tomorrow. Will this same indifference ultimately sell our children into utter and complete control by the Federal Government in Washington?

Are we so blind we cannot see that a civil right taken from one is taken from all? Are our duly elected representatives so overcome with pride and power they cannot comprehend the final end to this foolish reasoning on civil rights is complete destruction of the rights of all?

If we are ever to preserve the small amount of liberty left us, now is the time. Write your elected representatives on Capitol Hill before June 16. Tell him of your opposition to the bill and ask him to take a stand against it when it is introduced to Congress.

Hill Receives Tech Degree

Leroy Vance Hill of Happy was among more than 1,500 students to receive degrees at Texas Technological College's commencement exercises recently.

Hill received his bachelor of science degree from the school of agriculture where he majored in agronomy.

Sewer Line Is Moved

A sewer line for the Student Union Building at West Texas State University is being moved from under the buildings and, when completed, will be laid on the west side of the SUB.

John Boone, head of the WTSU maintenance department, said the existing line would be replaced with a 12-inch line. Foran Construction of Amarillo has the contract for about \$5,000, Boone said.

Graveside Rites Held

Graveside rites for Mel Diamond Hubbard, infant son of Mr. and Mrs. Gene Hubbard of Amarillo, were conducted Wednesday of last week at Memory Gardens cemetery.

Rev. Tash of St. Mary's Catholic Church of Amarillo conducted the services for the infant who lived only a few hours following birth on Monday, May 30.

Interment was conducted by Schooler-Gordon Funeral Directors of Amarillo.

The infant is survived by his parents, Mr. and Mrs. Gene Hubbard; two sisters, Trina and Melia of the home; and grandparents, Mr. and Mrs. V.B. Hubbard of Canyon and Mr. and Mrs. Raymond Annen of Nazareth.

Letter To The Editor

Chu Lia, Viet Nam June 2, 1966
Mr. Martin,

I would like to thank you and your news staff for taking the time each week to send me a copy of our home town paper, but it means much more to me now that I am so far away.

I have been in Viet Nam since the twenty-eighth of March. We first landed deep in the swamps, just South of Saigon. This was "Operation Jack's Stop". We were attached to the First Provisional Rifle Company, 5th Marine Div. First Battalion (BLT-1-5). We were better known as "The Butcher Company."

I was sent to Manila, Philippines to be treated for slight leg and shoulder wounds, but recovered fast over the Easter holidays. The last part of April BLT 1-5 again made a landing off the V.S.S. Alamo #33-LSD called "Operation Osage" north of Da Nang.

I am now stationed near Chu Lai. We see quite a bit of action here, but we do have a little nicer living conditions. We live in tents that have no floors or electricity, but a guy gets used to this after a while. This place is a little world all of its own. There are no coffee shops to sit in or no movies to watch. In fact, often we don't even have church. One thing we do have however is mail. Mail call here is like being in heaven.

I am a ocean scout attached to Charlie Company-third platoon-First Marine Div. First Marine Tank Battalion. Most of our work is done at night, but many times we are called upon to make emergency runs during the day. Our main area to cover is from Qui Nhon to Phu Bai to the Laos Cambodia Border. During the next nine months, we will probably see a lot more action in this area.

I would like to say again that being able to read the "Canyon News" really means a lot to us over here. All of us read each issue that is sent.

Thank you very much for your time, and perhaps in March I will see all of you good Canyon friends once again.

Yours truly,

Three WT Profs Appointed

Three new assistant professors of economics have been appointed for the 1966-67 session at West Texas State University, President James P. Cornette has announced.

They are David G. Moorman, Charlie A. Miller, and Robert P. Muir.

Moorman holds the B.S. and M.S. from Texas Technological College and has completed all requirements except the dissertation for the Ph.D. in agricultural economics at Texas A&M University. He has been an instructor at Texas Tech. He is married and has a daughter.

Miller, who taught at Texas Christian University, holds the B.S. and M.S. degrees from Louisiana State University. He is married and has three children.

Formerly an assistant professor of military science at WTSU, Muir retired last year from the Army. He holds the

B.A. degree from George Washington University and earned the M.B.A. degree this spring from WTSU. He is married and has a son.

To Every Home Owner:

A drastic Federal forced housing law now being considered by the Congress would destroy your basic rights—unless you act now!

Here's what it is:

"Title IV" of the so-called Civil Rights Bill—H.R. 14765 and S. 3296—is the forced, not fair, housing proposal that threatens to deprive you, as a home owner, of basic freedoms.

Here's what it would do:

- 1 Deny you freedom to contract with a person of your choice in the sale or rental of your home, or a room in your own home.
- 2 Deny you the right even to mention a preference for a person of your own religion in advertising for a roomer or tenant.
- 3 Subject you to suit by the U.S. Attorney General to force you to sell or rent to a person other than the person of your choice.
- 4 Delay indefinitely a rental or sale, pending final court disposition of allegations against you.
- 5 Subject you to payment of unlimited damages if you insist on exercising preference in a sale or rental.
- 6 Discourage sale of your home because the prospective buyer could not be assured of taking title until the deed is actually recorded.

Because we are concerned about the human rights of all Americans...

- We protest a law that gives one person the right to force another to enter into a contract against his will.
- We believe progress in race relations will be retarded, not advanced, by this bill. Equal opportunity in housing is making progress under the influence of voluntary efforts of church, school and people of good will.
- We protest this attack on the human right of freedom of choice in disposing of private property.

How can you make your protest heard?

The Congress will reject the forced housing features of this bill if you and other home and property owners write your Members of Congress and make it clear that you oppose this

legislation because it would destroy rights of all Americans.

Write or wire today—and tell your Members of the Congress what you think.

"Texas" Cast Meets Author, Paul Green

"In this play we will use authentic western American music...in fact we open with a trumpet on the canyon rim...then hell breaks loose." So said Paul Green in his first words to the cast of "Texas" last week in the Branding Iron Theatre of the Fine Arts Building.

Pulitzer-prize winning Green, author of the historical drama to be presented in the Pioneer Amphitheatre at Palo Duro Canyon this summer, received a standing ovation from the newly-selected cast as he was introduced by William Moore of WTSU drama department.

In describing the drama Green said "It is a spiritual adventure in the physical me-

dium. Where are we going? We embark on something wonderful." "We are going to use light and sound in a dramatic way", Green described the theatre as a three-in-one combination. Singers dance, actors sing and dancers act. He stressed the idea that the cast should be able to assume any role and emphasized that "In this country, finally, the theatre is coming of age."

"The harder we work, the happier I'm going to be, and God bless you all."

Moore presented background information on the drama, the amphitheatre and rehearsal schedules. He also introduced the directors.

Moore stated "We have the finest writer in the country. We have the finest directors in the country. We have the finest cast in the country. So we should have the finest show in the country." As Paul Green says: "It's success depends on the way it's produced."

Introduced were: Mrs. Ples Harper, who has been the inspiration for and promoter of the Panhandle Heritage Foundation and the building of a theatre in the Palo Duro Canyon.

Raymond Raillard, executive vice-president and business manager of the Texas Panhandle Heritage Foundation.

Edith Eckhardt, Sue Addington and Bonnie Whittington, who work in the Foundation offices.

Pete Cowart, will be operating the concessions at the theatre. Cowart has also built a locomotive to be used in the production and is currently building a surrey which will be used in the drama.

Royal Brantley, music director for the production of "Texas", who stated "Something great in your own backyard, sometimes is the most difficult to recognize." Also introduced was Miss Linda Adams who will assist with the music.

Neil Hess of Amarillo, choreographer for the production. Hess is giving up a summer of teaching at Interlochen to work with the production.

Erin Wertenberger, designer and director.

Wilson Evans, stage manager and members of the technical staff.

According to Moore, "In selecting a cast, we have been guided by our great responsibility to the Heritage Foundation and to Mr. Green."

Over 300 persons auditioned for the cast of approximately 49.

Rehearsal schedule has been set as follows:

Monday-Saturday: 1-2:30 dance group; all members of the company to work out with the dance group whenever possible.

2:30-3:30 all members of the company to the choir room for music rehearsal.

3:30-5 all members of the company to work on script

Saturday the Falcons will travel to Groom for a game at 7:30; play Caprock of Amarillo here at 7:30 Monday night; and play Amarillo High here Wednesday at 7:30 p.m.

Dairy Record Is Set

New and higher milk and butterfat production records in the official herd testing programs of the Holstein-Friesian Association of America have been established in Texas. The new production class leader is a Registered Holstein cow owned by Louis G. Hinders, Palo Duro Holstein Farm, Canyon.

Breaking previous all-time state records is Palo Duro Raven Artis 5110520 (VG) with her new mild and butterfat records for Senior four-year-olds milked twice daily in both the 305-day and 365-day divisions of the Dairy Herd Improvement Registry program. Her official 305-day lactation totalled 25,640 lbs. of milk and 923 lbs. of butterfat. She continued to milk for a 365-day record of 28,931 lbs of milk and 1,038 lbs. of butterfat.

Palo Duro Raven Artis was bred in the herd of her present owner and sired by Raven Burke Ideal 1113350 (EX), a bull with a Gold Medal Sire recognition.

Milk weight recording and testing in this herd are supervised by Texas A & M College in cooperation with the national Holstein organization.

These new records were made under the rules of Dairy Herd Improvement Registry -one of two herd testing programs conducted by the Holstein Association. This and the Herd Improvement Registry testing program have combined enrollment of nearly 145,500 Registered Holstein cows in over 3,350 herds.

Little League Led By Three

Dodgers, Senators and Cardinals have captured the lead in the Little League standings this week according to reports.

In the Little League Majors the Dodgers stand with a 7 win -1 loss record according to Jim Boyce. Other standings in the league are the Yankees 4-3; Red Legs 3-5; Braves 3-5; and Astros 2-5.

Cardinals have a 2-0 lead in the nine-year-old division according to Bill Davis. Other league standings are the Angels 2-1; Indians 1-2; and Mets 0-2.

Dick Dawdy reports that the Senators have a 3-1 lead in the eight year-old division. Other teams and their standings are the Orioles 1-1; and the Red Sox 0-2.

Ranco-Ettes Tour Company

A trip through the Singer Sewing Machine Co. in Amarillo was highlight of a program Monday for Ranco-Ettes 4-H Club.

The field trip to study pattern selection and materials was in preparation for the dress revue, a county-wide project which is held in July. Judging will be July 6 and the Review will be July 7 according to Mrs. David Pulley, sponsor of the group.

Attending were Patty Lovelady, Donna Maples, Rene Maples, and Debra Spring.

The next meeting will be Monday at 1:30 p.m. in the Maples home, south of Amarillo.

Court Session Is Held

On June 1, 47th District Court was in session with Judge Gene Jordan presiding. On this same date, the Randall County Grand Jury met and returned five indictments and two no bills.

In court Judge Jordan heard a non-contested divorce proceedings and proceedings for finalizing adoptions. In addition, two probations were revoked.

Violating probation and receiving full prison sentences were Clyde Barton, five years and Leland C. Gobel, three years. Barton and Gobel were remanded to the Randall County jail until transported to the state penitentiary at Huntsville.

Grand Jury indictments were returned against Thomas Ray Vessels, assault with intent to murder; Steve Fred Jones, forgery and passing a forged instrument; Vern Leigh Hogan, transporting mortgaged property across the state line; R.J. Brooks, fraudulent disposal of mortgaged property; and Glenn Bailey Duncan, DWI second.

Duncan pled guilty to the DWI second charge and received five years adult probation. No billed were John W. Story and Forrest Greg Anderson, both charged with assault with intent to murder.

Pleading guilty to a charge of malicious mischief was James Robert Callarman, Callarman received two years probation. Indictment on this charge was returned in February 1965.

Next session of court will be July 6, Grand jury will also convene at this time.

Construction On Schedule For New Bank

Construction on a new First National Bank Building is progressing on schedule, said Levi Cole, president.

The building, to cost about \$460,000 when completed, is being erected at the corner of Fourth Avenue and Fourteenth Street.

The masonry building will be 150 by 140 feet and will have parking area behind the bank of 200 by 140 feet.

Exterior of the building will be of marble with a ceramic mosaic above the marble. Architects are Megert & Shivers of Amarillo.

The building will be equipped with drive-in facilities and will have eight teller lines. All offices of bank officers will be semi-private.

TOP ROYALTY--Shown left to right following the final events in the second annual Miss Lake Meredith Beauty Pageant Saturday night at Borger High School auditorium are Sherry Blankenship of Borger, first runner-up; Susie Grove of Stinnett, "Miss Lake Meredith, 1966-67;" Mary Ann Wheelock of Canyon, second runner-up; and Miss Texas, Mary Lou Butler of Nacogdoches, special guest for the second annual judging event.

Wheelock Meredith Runner-Up

Pretty, honey-blond Mary Ann Wheelock, 19-year-old daughter of Mr. and Mrs. R.D. Wheelock of Canyon, was chosen second runner-up from a field of 15 West Texas beauties during final events of the second annual Miss Lake Meredith Beauty Pageant Saturday night at Borger High School.

The beauty and talent event, focal point of the week-long second annual Lake Meredith Festival activities, was sponsored by the Borger Junior Chamber of Commerce.

Fifteen girls representing nine Panhandle cities were entered in the competition. Elimination events were staged at Borger High Auditorium Friday night and finals were held Saturday.

Special entertainment for the event was by the current Miss Texas, Mary Lou Butler. Judges for the contest were the officials of the Miss Texas Pageant of Ft. Worth.

Miss Wheelock, sponsored by Mu Phi Epsilon, national music honorary, of West Texas State University, was adjudged third on the basis of talent, poise, charm and beauty of face and figure in talent, swim suit and evening gown competition.

In talent competition, Miss Wheelock gave a musical in-

roduction of Prelude in D Minor by Scriabin which led to a dramatical excerpt from "Anastasia." Talent counts 50 per cent on scoring.

Winner of the title "Miss Lake Meredith 1966" was Susie Grove, 20-year-old daughter of Mr. and Mrs. M.T. Groves of Stinnett. She is eligible to enter the Miss Texas Pageant to be held at Ft. Worth in late July.

Miss Grove is the granddaughter of Mrs. P.M. Wilson of Canyon and is a niece of Mr. and Mrs. Clifford Clark.

Prairie Dogs Cute Nuisance

Some people think they are cute, some think they are a nuisance and some know that they will eat you out of house and pasture if they become too numerous.

Frank Grabber, who farms northwest of Canyon is one of those who decided that his prairie dogs were getting out of hand and he called in the Predatory Animal and Rodent Control Service of the Texas Park and Wildlife Department.

Tom Sparks of Lubbock, who works with the service, was in Canyon Friday to give Grabber a hand. He represents the Panhandle District of the state office which is in San Antonio. This extension service of Texas A&M is also part of the Department of the Interior with regional headquarters in Albuquerque N.M. The Panhandle District is made up of 80 counties in the area of rodent control and 65 counties in the area of controlling predatory animals. The region, headquartered in Albuquerque covers

'Aunt Molly' Pioneers Art Instruction Here

BY LORENA MILLER

Most folks know Mrs. Charles Lennox Gordon-Cumming as "Aunt Molly".

Aunt Molly is the former Mary Elizabeth Thomas who was born March 3, 1878 in Dallas County. She first ventured to the Panhandle of West Texas in September of 1899 on the invitation of a sister, the late Levinia McGehee.

"Levinia invited me out to spend a year with her family," said Mrs. Gordon-Cumming. "When I arrived she had arranged a class of art students for me in Amarillo."

"My students in Amarillo were young teenagers," said Mrs. Gordon-Cumming "and for several years before I came to West Texas, I taught art in a school at Fort Worth."

"Painting has always been one of my favorite hobbies and I used to paint oil canvases by lamplight," Mrs. Gordon-Cumming stated. "I haven't painted in about 35 years, but I used to always give paintings as wedding gifts to friends and their daughters and sons."

Mrs. Gordon-Cumming has no recollection of how many

paintings she has given away during a lifetime hobby. The spry 87-year-old woman is still adept at recitation and memory work which she learned during her youth.

GS Tour Caverns

Girl Scouts of Troop 12 were entertained two days this week with a trip to Carlsbad, N.M. where they toured Carlsbad Caverns, saw the bat flights, went sightseeing and swimming.

The group returned to Canyon late Tuesday evening. Mrs. Sam Jolly, leader, was assisted with transportation and supervision by Mr. and Mrs. Jess Bewley, Mrs. Louis Henders and David and Mike Jolly.

Girl Scouts on the trip were Lou Ann Beghtel, Susan Bewley, Diana Boone, Peggy Brock, Karen Pettit, Marilyn Read, Vesta Wilson, Julie Coffman, Brenda Counsellor, Sharon Freeman, Sharon Henders, Pamela Jolly and Monika Kuhlman.

PONDERING what subjects to take this summer at West Texas State University is Amarillo Junior Mike Warner. Helping him with the decisions is Nora Killian, assistant professor of biology. Some 2,461 enrolled Monday, including 237 who are participating in WTSU workshops. Dr. James P. Cornette, WTSU president, estimated that the final registration figure would be about 2,550. Last year's total was 2,047. All fees are due by Saturday noon.

"My husband and I were married September 4, 1901 at the home of Isaac and Mary Jenkins (now deceased) who lived down by the creek," smiled Mrs. Gordon-Cumming. "Their son, Ira Jenkins, and his son, Bob, visited with me last week from Fort Worth."

The Gordon-Cummings were married by the late Rev. John Wallace, who was one of two ministers in the Canyon area during 1901. The couple and their three daughters lived a majority of their lives on the section of land which is currently owned by Mrs. Gordon-Cumming.

Located some 5 miles south-west of Canyon, the Gordon-Cummings home and creek have been operated during the past 15 years as a club and at one time sported some 30 members.

"We used to let people just come in and fish" said Mrs. Gordon-Cumming "but finally we turned it into a club with a minimum fee to maintain it."

"My husband had first come to the Panhandle sometime in the late 1880s," said Mrs. Gordon-Cumming. "He was originally from Scotland and was sent to Canada while a youth to learn about systematic farming, but he liked going to town and wasn't very interested in farming."

"Then, while he was still in Canada, he joined a surveying party and worked with them for a couple of years as a book-keeper," Mrs. Gordon-Cumming recalled. "When he tired of his job with the surveyors he received a letter from his uncle in Scotland, who invited him to come to San Antonio and work on his horse ranch. He worked on the ranch until the prices dropped and the ranch was sold."

"But he had been seeing the cowboys in San Antonio and he thought he might get an office job in this part of the Panhandle," recalls Mrs. Gordon-Cumming stating that her husband was able to speak four languages.

"He settled down in this country as a cowboy and we ran about 100 cattle on our land for many years," said Mrs. Gordon-Cumming. "I helped to keep the strays out of the creek and could often be seen riding

MRS. GORDON-CUMMING, better known as "Aunt Molly", has spent a lifetime collecting some 250 unusual egg cups. She is shown with a rare egg cup which came from England. Among her collection are egg cups from throughout the United States and many foreign countries.

a horse with one daughter in front and two behind me."

"We drove the cows and calves into Canyon to the stockyards," said Mrs. Gordon-Cumming. "We would pen up the calves and then drive the cows back home. They just had finished the railroad tracks when we settled here, and our cattle were shipped to Kansas City then."

Mr. Gordon-Cumming, who was born May 29, 1865, died in January of 1948. He was a member of the Episcopal Church and was the son of Scottish nobility.

"Aunt Molly" is herself a Methodist and was a charter member of the Westside Home Demonstration Club. She was also a charter member of the original Mother-in-Law Club which was organized in Amarillo with a "mother's parade" which she rode in many years ago.

"I never did learn to drive very well," said Mrs. Gordon-Cumming, who still does her own cooking and housecleaning at the age of 87.

"Aunt Molly" has two rare collections which she prizes very highly. She has one collection of some 1,000 or more rare stamps which she has collected during a lifetime and a collection of egg cups.

The unusual egg cups have been collected through friends, neighbors, and her daughters and number about 250. Among her prized items, Mrs. Gordon-Cumming has a small vase with a miniature picture of cherub angels which was found by her daughter, somewhere in Old Mexico.

Among her descendants are two grandchildren, Gordon Culwell and Mrs. John Billups, both of Amarillo; and four great-grandchildren, Gordon and Gracie Culwell and Mollie and Patti Billups.

SIGNING UP with the West Texas State University football team for the fall season is Gary McAtee, Canyon High School graduate. The son of Mr. and Mrs. Happy McAtee will probably play in a defensive back position for the Buffaloes. He is six feet tall and weighs 170 pounds. On hand for the signing are Coach Joe Kerbel, left, and Lou Spry, WTSU sports information director.

WT Chemistry Profs To Receive Grants

Research projects delving into contributing causes of heart attacks and strokes, and seeking a test for early diagnosis of cancer were among three proposals by West Texas State University chemistry professors receiving supporting grants totaling \$90,000 from the Robert A. Welch Foundation of Houston.

The projects, to be conducted in the Killgore Research Center, will start June 1, 1967, and are renewable for three years, according to Dr. Alfred A. Kraus, Jr., director. The Welch Foundation annually awards hundreds of thousands of dollars in grants for chemical research in Texas.

The three \$30,000 grants went to Dr. Gene A. Crowder, associate professor, Dr. Marion A. Guidry, professor of biology and chemistry and project director of life sciences for the center, and Dr. Alfred C. Schram, associate professor.

A similar grant from the Welch Foundation was received last year by Dr. Ray Malzahn, associate professor, for research covering "Pyrolysis of Propargyl Ethers." His project, a study of the effect of heat on certain organic compounds, began Wednesday.

Each of the three new projects will utilize one or more graduate students and at least one undergraduate chemistry student on scholarship. The grants also will cover necessary equipment for research.

Dr. Crowder's research will be in the field of infrared spectroscopy to obtain information about the molecular structures of several compounds and to determine the effect of certain forces between atoms in the molecules on the vibrational frequencies of the molecules.

The role of unsaturated fats in maintaining health in single-cell organisms will be investigated by Dr. Guidry, who has conducted extensive research in atherosclerosis and the effect of diet on heart diseases. He said he has turned to the study of the problem

PARTICIPATING in Canyon's annual Clean-Up, Fix-Up, Paint-Up Week is Norman Smyrl, who is digging out old grass and preparing the sod for new seed. Painting will be the order of the day today, flower planting Friday, and the week-long activities will conclude Saturday with alley clean-up.

PESO Reading Program Has Enrollment Of 200

Some 200 teachers from throughout 36 Panhandle counties are enrolled in the PESO reading program being conducted at Canyon High School.

The teachers represent some 91 school districts and are attending daily classes and demonstrations from 9:00 until facility.

Kenneth Laycock is curriculum co-ordinator for PESO reading program being conducted here, and Dr. Emmitt Smith, of West Texas State University, is conducting a similar program on the campus of South Plains Junior College in Levelland. The special course will continue through July 15.

Some 15 consultants from throughout the state are participating in the local program and a model series of classes for elementary and secondary observation are being taught using local youths. Teaching the two model classes are Mrs. Irene Crawford, secondary, and Mrs. A.A. Norrel, elementary.

Topics to be involved in the reading program according to Dr. Smith are a diagnosis of the reading disability; the techniques of corrective reading; the sociological implications

-education deprived; the psychological implications-education deprived; reading as a language art; research in reading improvement; and school management and reading improvement.

Jaycee-Ettes Make Garters

Texas decorative garters were made by the Canyon Jaycee-Ettes recently to send as favors to the national Jaycee convention.

Attending the preparation meeting were Mesdames Jim Scott, Wayne Edmondson, Charles Marshall, Meade Michael, Guy Hamble, J.W. Sims and Allen Parson.

according to Cornette. In other business the commission accepted \$890 payment delinquent taxes from the City of Amarillo.

George Dowlen, Randall County Criminal District Attorney was appointed to supervise the purchase of volumes for the law library.

The Commission also agreed to pay the Wildorado Volunteer Fire Department \$100 for every fire call made within Randall County.

Mrs. T.B. McCarter of the Randall County Historical Survey Committee appeared before the court to request funds for two historical markers, one to be placed at the site of the MacKenzie Battleground and one to mark the Goodnight Trail. This has been taken under consideration.

The major issues in the Freeman controversy are the "dumping" of government-owned surplus wheat, corn and other grains, resulting in a drop in the open market; implications that farm and ranch products are prime causes of rising inflation; and, plans for further increases in federal personnel to work at local levels. "We need stability." Currently there is one government employee for every 27 farmers.

cent of the cost of food is added after it leaves the farm. In March of 1966 he received 13 per cent less for his product than in March of 1951. "The farmer is in a depression". In the midst of growing demands that Secretary of Agriculture Orville Freeman be asked to resign, Price warned that "Freeman's resignation would not correct the errors that are being made."

The possibility of finding a test which may aid in the early detection of cancer will be the main interest of Dr. Schram, a former professor and researcher at the University of Texas Southwestern Medical School in Dallas.

"Antibodies are blood components which give immunity against an antigen, such as a bacterium or virus, by combining with a small portion of the antigen and rendering it harmless," Dr. Schram said.

Dr. Crowder joined the WTSU staff in 1964 after earning his Ph.D. at Oklahoma State University. He has conducted several research projects in the field of infrared spectra and molecular spectroscopy, and is the author of a number of articles in the "Journal of Molecular Spectroscopy."

Author of more than 20 articles in research journals, Dr. Guidry joined the WTSU staff in 1965. He holds the Ph.D. from Tulane University, and was associate professor of pathology and biochemistry at Louisiana State University.

A native of Belgium, Dr. Schram earned his Ph.D. at the University of Texas. He taught for six years at the university's medical branch in Dallas and was a biochemical researcher at St. Barnabas Hospital in Minneapolis, Minn., and the Veterans Administration Hospital in Dallas. For two years he held Public Health Service grants for cancer research.

Happy Boys Attend Camp

Judging Team Is Competing

Competing in the state-wide 4-H dairy judging contest at Texas A&M this week are Eddie Henders, Mike Henders, Jerry Crain and Clifford Boehning.

Representing 22 Panhandle counties, the team will be competing against 24 teams from 12-14 areas over the state. About 1,400 boys and girls and 600 leaders and county agents will be participating in the annual roundup and contest.

Accompanying the team members on this trip is John Brazzil, Randall County Agent.

Team members were selected on their ability to judge dairy cattle and team skill. They will return to Canyon on Tuesday.

Reception Fetes Amarillo Artist

A reception honoring Louis Neugebauer, Amarillo artist, was held Sunday afternoon in the home of Mr. and Mrs. L. L. Jones with approximately 70 guests being registered.

The occasion honoring Neugebauer was also to fete his daughters, Mrs. Elly Elizey of Columbia, Mo., and Lya Stattin of Vienna, Austria. Another daughter, who lives in New York, was unable to attend the affair.

Neugebauer was honored by students from Hereford, Tulla, Amarillo, Dimmitt, Plainview, and Happy. The occasion was hosted by his art students from Canyon. He has studios in Amarillo, Tulla and Canyon where he teaches private art lessons. A silver epergne, accented

Don's Cafe Burglarized

It seems burglars who entered Don's Cafe late Sunday night or early Monday morning were either planning a banquet or considering opening a restaurant of their own.

Chief of Police L.D. Caldwell said the following items were taken: two dozen plastic glasses, four dozen water glasses, three dozen knives, spoons, teaspoons and forks, nine sets of salt and pepper shaker sets, two stainless steel baking pans and eleven glass sugar bowls.

DOUBLE BUCCANEER STAMPS TUESDAY AT BELLAHS

September Vows Set

The engagement and approaching marriage of Miss Velma Lynne Larson to Jerry Lynn Vance is being announced by parents of the bride-elect, Mr. and Mrs. E.J. Larson of Canyon.

Parents of the prospective bridegroom are Mrs. N.G. Wampler and A.M. Vance, both of Pampa.

The wedding will be solemnized September 3 at Joseph A. Hill chapel on the campus of West Texas State University.

Miss Larson, a granddaughter of Mr. and Mrs. H.D. Curtis of Canyon, graduated from Canyon High School and has received her bachelor's degree in music education at West Texas State University. She will do graduate work at WTSU this summer.

A graduate of Canyon High School, the prospective bridegroom is a senior art education major at West Texas State University.

MISS VELMA LYNNE LARSON

Joseph A. Hill Chapel Scene Of Pafford-Chester Nuptials

Joseph A. Hill Chapel on the campus of West Texas State University was the scene for the June 4 marriage of Miss Kay Ann Pafford and Bob G. Chester of Denton.

The double-ring ceremony was performed by Rev. Cecil Hardaway, pastor of the First Methodist Church of Olton.

The bride is the daughter of Mr. and Mrs. Herman C. Pafford of Claude and the bridegroom's father is W.O. Chester Sr. of Arlington.

Nuptial selections were presented by Mrs. Glenn Wilkins of Claude, organist, and Glenn Wilkins of Claude who sang "The Wedding Prayer".

Vows were performed before banks of cathedral candelabra framed with baskets bearing white gladioli and chrysanthemums.

The bride's sister, Mrs. Connelly Lockhart of Amarillo, served as matron of honor and Mrs. Frank Chapple of College Station was bridesmatron.

They wore two-piece street length dresses of yellow lace, short sleeves. Headpieces were yellow taffeta bows and both wore short white gloves and carried cascade bouquets of yellow majestic daisies accented with lemon leaf and small tufts of yellow taffeta ribbon.

Best man was Floyd Langford of Ruston, Louisiana and Durwood Henderson of Canyon was groomsmen. Ushers for the evening occasion were Joe L. Pafford of Lubbock, brother of the bride, and Frank Heflin of Canyon.

Given in marriage by her father, the bride wore a formal gown of candlelight pearl

de sole designed with an empire bodice and veiled with imported Alencon lace tracers with seed pearl accents that extended down the side panels of the skirt. The controlled skirt was swept into back fullness and extended into a chapel length train.

Her bridal mantilla was fingertip length and was of imported Chantilly lace and edged with scalloped imported re-embroidered Alencon lace. The bride carried a cascade bouquet of white orchids and white butterfly roses with tiny fake ribbon streamers. The bouquet crested a white Bible and she wore a single strand of pearls, which was a gift from the bridegroom.

A reception honoring the couple was held immediately after the ceremony in McCaslin Hall. Guests were registered by Myrna Ledbetter of Vega, a cousin of the bride.

White roses in a crystal bowl formed the centerpiece on the reception table. Accents were white candles in crystal candelabra, matching the centerpiece. Two large palms, placed in the background, complemented the reception table.

Presiding at the bride's table were Mrs. Donovan Bowers of Erick, Okla. and Paula Wilson of Vega. At the groom's table were Mrs. Floyd Langford of Ruston, La. and Mrs. Durwood Henderson of Canyon.

For a wedding trip to points in N.M., the bride changed to a two-piece beige embroidered linen dress accented with bone accessories and a corsage lifted from the bridal bouquet.

The bride is a graduate of

West Texas State University with a B.S. degree. She was a second grade teacher at the Olton Public Schools at the time of her marriage.

A former faculty member at West Texas State University, the bridegroom holds a Masters degree in business from North Texas State University in Denton. He is presently a doctoral candidate and part-time faculty member at North Texas State University in Denton.

The couple will make their summer home in Arlington. In September, the couple will move to Lafayette, La. where the bridegroom will be an assistant professor of business at the University of Southwestern Louisiana.

Pre-nuptial courtesies extended the bride included a miscellaneous bridal shower in the home of Mrs. Tom Collins at Claude; a luncheon at the Top of the Village in Amarillo given by Mrs. Mary Gilmore of Slaton and Mrs. Frank Chapple of College Station; and a brunch given by Miss Alma Pafford of Amarillo and Mrs. Ralph Bagwell of Claude, aunts of the bride.

Anniversary Reception Set Sunday

Mr. and Mrs. J.W. Byrd of Happy will observe their golden wedding anniversary Sunday, June 12, with a reception at their home, northeast of Happy.

The 50th anniversary reception is being co-hosted by children of the couple, Wylie Byrd of Tulsa, Earl Byrd of Amarillo, and Mrs. Charles Quarnstrom of Amarillo.

Also present for the occasion will be nine grandchildren and two great grandchildren.

Friends and relatives are invited for the occasion.

OES Rites Saturday

Public installation will be conducted Saturday evening, June 11, for incoming officers of the Order of the Eastern Star, Lodge No. 105.

Mrs. Rae Walters will be installed as worthy matron and H.E. Campfield will be installed as worthy patron of the Canyon City Chapter.

The event, which is open to the public, will begin at 8 p.m. in the Masonic Lodge Hall in Canyon. A reception honoring the new officers will be held following the formal installation.

Garden Club Meets Tonight

Canyon Garden Club will hold installation of officers tonight, Thursday, at the home of Mrs. R.A. Neblett, 1100 Fifth Avenue.

The meeting will begin at 7:30 p.m. and all members are urged to attend.

J.H. Rose from Beverly Hills, California and Mr. and Mrs. John Schram from Flagstaff, Ariz. visited in the home of Mrs. W.G. Rose and son, Kelly, last week.

J.H. Rose and Mrs. Schram are children of Mrs. W.G. Rose.

MRS. BOB G. CHESTER

July 2nd Vows Set

The engagement and approaching marriage of Miss Vicky Ann Allen to Hugh Lee Simmons is announced by Mr. and Mrs. Charles Allen of Canyon, parents of the bride-elect.

Miss Allen's fiancé is the son of Mr. and Mrs. Russell Simmons of Dickinson.

Nuptial vows will be solemnized July 2 at Joseph A. Hill Chapel on the campus of West

Texas State University.

A graduate of Canyon High School, Miss Allen will be a sophomore business education major at the University of Texas this fall. Her fiancé is a graduate of the University of Houston and is a physical education teacher at the Gary Job Corps Training Center in San Marcos.

MISS VICKY ANN ALLEN

Nuptial Vows Engagement Are Planned Announced

The marriage of Miss Linda Louise Beerwinkle and Tommy R. Birch will take place July 2 in Moody Leon Methodist Church.

Mr. and Mrs. R.H. Beerwinkle of Temple are parents of the bride-elect and the prospective bridegroom is the son of Mr. and Mrs. O.D. Birch of Phillips.

A graduate of Belton High School, Miss Beerwinkle attended Mary Hardin-Baylor College and is now a senior student, majoring in elementary education at West Texas State University. Her fiancé is a graduate of Phillips High School and has completed his undergraduate studies at Texas Technological College in Lubbock. He is a graduate student at WTSU presently.

Mrs. Louise Wood of Kansas City, Mo. announces the engagement and approaching marriage of her daughter, Linda Louise, to Kenneth Robinson Lutgen, Jr.

The prospective bridegroom is the son of Mr. and Mrs. Kenneth Robinson Lutgen, Sr. of Kansas City, Mo.

Miss Wood is the daughter of the late Mr. Edward Lee Wood, a granddaughter of Mrs. Frank Wood, Sr. of Canyon and niece

of Mrs. M.S. Downing of Canyon. She is a student at the University of Missouri in Kansas City and her fiancé attends Southwestern Missouri State College in Springfield.

Wedding Vows Read

Miss Barbara Kay Patterson became the bride of Airman First Class Richard Darwell in ceremonies performed Wednesday, June 1, at the Randall County Courthouse.

Miss Patterson, daughter of Mr. and Mrs. Carlton Patterson of Canyon, was a senior at Canyon High School this spring.

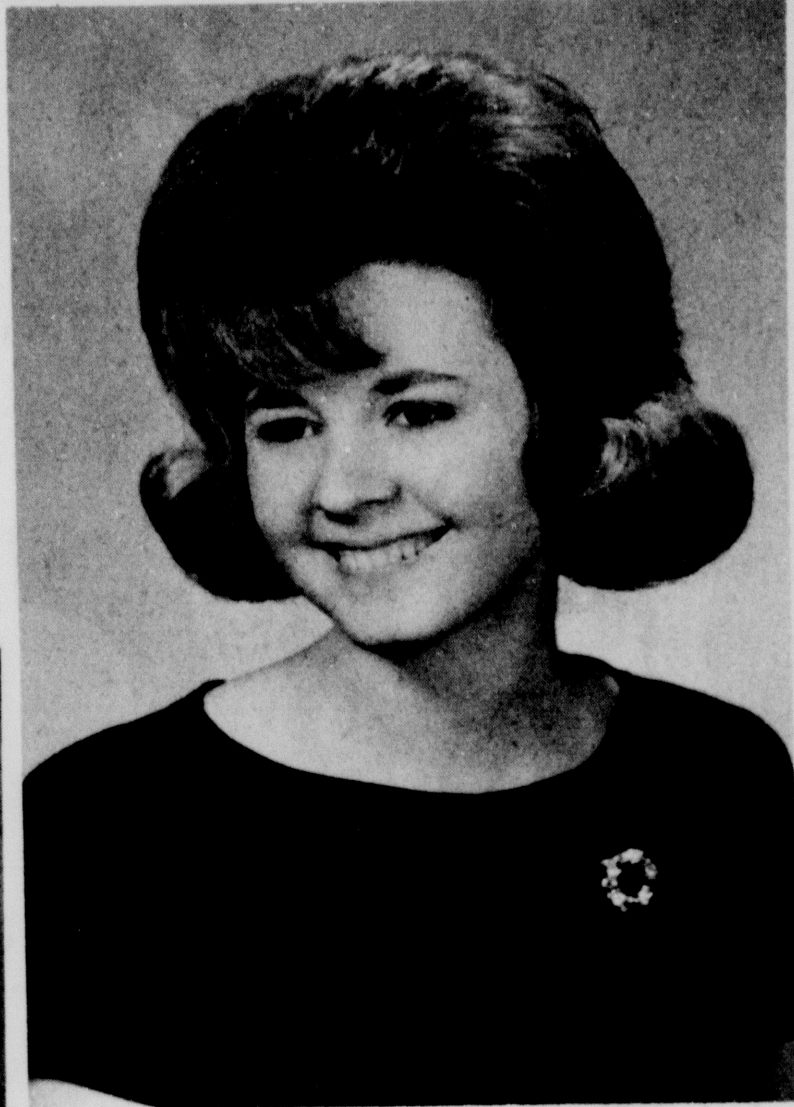

The bridegroom is presently an instructor at Amarillo Air Force Base and expects to be transferred shortly to Chanute Air Force in Rantoul, Ill. where the couple will move.

Garage Sale Set Saturday

Numerous articles including homemade items, toys and tools in good condition will be among those for sale by the group. All residents are invited to visit the sale.

MRS. RICHARD DARWELL

Pre-Nuptial Events Fete Brides-Elect

Parties Fete Miss Roberts

Miss Judith Lynn Roberts, bride-elect of Walter Curry, Jr., was honored with a round of mid-May bridal parties in Abilene and San Antonio.

Miss Roberts and her fiancé will be married June 25. Miss Roberts, daughter of Dr. and Mrs. J.B. Roberts of Canyon, was a student at Abilene Christian College at the time of the recent teas, showers, and buffets.

An introduction tea was held in the home of Mr. and Mrs. Walter Curry, Sr. in San Antonio. Co-hostesses for the occasion were Mesdames H.R. Weir, Drenon Williams, Ed Nash, Curtis Richardson, Walter Scott, J.M. Gerhardt, Sr. and John Dimmitt.

Presiding at the guest book for the occasion were Janie and Beth Jarrett, daughters of Dr. and Mrs. R.P. Jarrett of Canyon, who were both students at Trinity University.

The refreshment table was covered with a cutwork appliqued cloth centered with yellow and white roses in an antique crystal bowl.

The bride-elect's parents, Dr. and Mrs. J.B. Roberts, were in San Antonio for the introductory tea and a dinner which was hosted by the Walter Curry, Sr. family later in the evening at Casa Rio on the banks of the San Antonio River.

A seated informal shower was held in Fellowship Hall of the Jefferson Street Church of

Christ in San Antonio. The event was co-hosted by Mesdames James Gerhardt, Sr., Paul Rose, Kenneth Hayes, Paul Homburg, Jr., Edward Nash, Jr., Mike Fisher, Fred Brumley and John W. Dimmitt.

The H.R. Weir home in San Antonio was the scene for an informal brunch honoring Miss Roberts. Some 18 guests attended the affair and were registered in the bride's book by Mrs. Tom Rhineland, daughter of Dr. and Mrs. R.P. Jarrett of Canyon.

A gold linen cloth covered the table and was centered with an unusual miniature man made of miniature bananas and featuring a grapefruit head. The little man held a flag bearing the bride-elect's name and was standing amid a display of fresh fruits.

Returning to Abilene, Miss Roberts was honored with a personal shower in the home of Mrs. Carl Cheatham. Hostesses for the occasion were classmates and friends at Abilene Christian College including Frances Vaughan, Linda Thurston, Judy Kraxberger, Jan Hemphill and Dee Robinson.

A patio buffet supper honoring the bride-elect and her fiancé was held in the Abilene home of Dr. Max Leach with Mr. and Mrs. Leroy Baker as hosts. Guests presented the honoree with gifts of silver. The bride-elect's parents were present for the occasion.

Saturday Coffee Fetes Miss Higdon

A morning coffee in the home of Mr. and Mrs. W.M. Higdon Saturday served as the formal announcement of the engagement and approaching marriage of their daughter, Dorothy Ann.

Miss Higdon will become the bride of Charles Curtis Crowell in formal ceremonies at the First Christian Church of Canyon on July 15.

The prospective bridegroom is the son of Mr. and Mrs. Charles Crowell of Hereford. He graduated from Hereford High School and is a senior math major at West Texas State University.

Miss Higdon, who graduated from Canyon High School, earned her bachelor of music education degree at WTSU. She has taught music for the past year at Arlington and will teach this fall in the Amarillo Public Schools.

Centering the refreshment table was a miniature piano atop a pedestal centerpiece which was accented with green cloth and miniature white flowers. The unusual arrangement highlighted a white lace cloth.

The buffet was decorated with a green flower arrangement which was flanked by double tapers in crystal holders. Mrs. Houston Bright and Mrs. Glenn Haynes presided at the coffee service.

Guests were registered at the morning coffee by Miss Jan Brotherton and Miss Nancy Clevinger. The table, bearing the bride's book, was accented with a single long stemmed white

rosebud.

Receiving guests at the affair were the bride-elect's mother, Mrs. W.M. Higdon, the bride-elect, Miss Higdon, and the grandmother of the prospective bridegroom, Mrs. O.H. Crowell.

Miss Hubbard Is Honored

Miss Josephine Hubbard, bride-elect of Floyd W. Richards, Jr., has been honored with several pre-nuptial ceremonies within the past few weeks.

Miss Hubbard and her fiancé will be married in nuptial ceremonies slated for June 18, Saturday.

A kitchen shower feting Miss Hubbard was held May 1 in the home of Mrs. Diane Dick of Amarillo. Other hostesses for the occasion were Mesdames Forraine Davis, Marian Aldridge, Janice Terry and Nadene Forester.

Mrs. Barbara Henry of Amarillo and Mrs. Carol Killingsworth honored the bride-elect on May 7 with a personal shower.

A miscellaneous bridal shower was held May 14 in the home of Mrs. Ethel Lewis of Canyon. Other hostesses for the occasion were Mesdames E.T. Cummings, Harold Byars, Marvin Hodges, Roy Franklin, Joe Winstead, Howard Foster, Don Hefner, and Miss Carolyn Franklin.

About 30 people attended a dinner party honoring the couple at the Amarillo Country Club recently. The event was co-hosted by Mr. and Mrs. W.C. Schutt, Jr. and Mr. and Mrs. J.S. Triplett.

The Lake Stockton home of Mr. and Mrs. E.H. Klein of Amarillo was the scene for a Memorial Day dinner party.

Mr. and Mrs. Jim Mann of Canyon honored the couple with a dinner party last Friday evening which was attended by some six couples.

A brunch at the Amarillo Club Saturday was attended by some 60 guests who were registered in the bride's book by the prospective bridegroom's sister, Mrs. Gleana Binkley. Hostesses for the brunch were Mesdames C.A. Cash, R.E. Brenna, W.L. Pearson and W.M. Sutton.

MISS DOROTHY ANN HIGDON

Engaged

ENGAGEMENT AND APPROACHING marriage of Miss Ricky Michael to Lynn Kelly is being announced by parents of the bride-elect, Mr. and Mrs. Meade Michael of Canyon. The prospective bridegroom is the son of Mr. and Mrs. Ted Kelly, also of Canyon. Nuptial vows will be solemnized July 3 for the couple. Rev. Strauss Atkinson, pastor of the First Baptist Church, will perform the ceremony in the church parlor. Miss Michael was a spring graduate of Canyon High School and her fiancé will continue his studies at an Amarillo High School this fall.

LIFELIKE ANNIE receives artificial resuscitation from Mrs. Lynn Williams of the Golden Spread Home Demonstration Club of Canyon. Watching the procedure are Mrs. Marion Allen, program chairman, and Max Comer, personnel safety supervisor for Southwestern Public Service Company of Amarillo.

Lifesaving Shown To Women

"Resuscitation" was the topic of a film and demonstration given for members of the Golden Spread Home Demonstration Club last Thursday morning at the Farm Bureau Building.

Guest for the meeting was Max Comer, personnel safety supervisor for Southwestern Public Service of Amarillo.

Comer showed a film to the group of home demonstration women then demonstrated resuscitation procedures on a lifelike maniken called "Annie". Comer advised that mouth-to-mouth resuscitation

be given "just enough to see the chest rise slightly by covering the mouth of the maniken fully".

Following the demonstration, members of the club and guests were given an opportunity to practice resuscitation on the maniken.

A brief business session was conducted by Mrs. Fred Begert, president, at the opening of the session as members elected Mrs. Jimmy Brasher to serve as secretary-treasurer for the remainder of the year. The council report was given by Mrs. Bill Martin.

Plans were outlined for a "tasting tea and recipe auction" to be held at the next regular meeting, June 23. Refreshments were served following the meeting by Mrs. John Miller.

Club guests for the occasion were Mrs. James Skarke, Mrs. Myron Trang, Mrs. Ralph Huntington, Mrs. Harry Widick, and Mrs. R.W. Thompson.

Members attending were Mesdames Fred Begert, Birl Davis, Marion Allen, Lynn Williams, Bill Martin, John Miller, Alan Ratliff, V.R. Reynolds, and Jimmy Brasher.

Variety Ring Entertained

Variety Ring was entertained in the home of Mrs. Leonard Winters last Friday afternoon.

A brief business session was conducted by Mrs. Win Matsler, president, as members made plans for a luncheon to be held June 17 at Myers Drumstick in Amarillo.

Members shared a variety of poems and spent the afternoon in various forms of needlework.

Attending were Mesdames George Barker, Win Matsler, Alice Black, J.P. Hammons, K. E. Hines, Levi Cole, Leslie Neal, Mae Johnson, E.P. Hard-

ing, Fred Marshall, Lang Hunter, P.L. Pitt and Leonard Winters.

Community Has Party

Residents of Jowell Community were entertained last Friday evening with a "42" social at the community center.

Co-hostesses for the occasion were Mrs. Louis Hinders, Sr., and Mrs. Earl Davis. Next social for the community will be June 24 at 8 p.m.

COOK OF THE WEEK

Shares Fish Favorites

BY LORENA MILLER

Fishing favorites are shared with our readers this week by Mrs. T.J. "Curley" Myers of Canyon.

Mrs. Myers, the former Vivian Datten of Happy, and her husband spend many vacation holidays at the Gulf Coast and along the mountainous streams of New Mexico and Colorado.

A graduate of the former West Texas State Demonstration High School, Mrs. Myers completed several years of college work at WTSU. She has two brothers, Eldon Datten and G.G. Datten, both of Amarillo and a sister, Mrs. Alvin Wesley of Happy.

In 1925, the Myers were married in Canyon. "Curley", as Mr. Myers is better known, was the son of the late Mr. and Mrs.

J.M. Myers who settled in Canyon in 1902. He is the remaining son of eleven children who were born to the Myers.

A former pupil of Canyon Public Schools, Mr. Myers completed his education with a business course at Tyler Commercial College. Mr. Myers operated a dairy in Randall County for a period of 17 years and was a farmer and rancher in the community.

Prior to his retirement in 1965, Mr. Myers had served as agency manager with the Farm Bureau of Canyon for a period of 11 years. The couple also owns and manages the Kreme Kone Drive Inn located in south Canyon. The establishment has been operated by the Myers for a period of 14 years.

The Myers are members of the First Methodist Church of Canyon. Mrs. Myers is also active in the Westside Home Demonstration Club of Canyon.

Aside from fishing outings, Mrs. Myers favorite hobbies are reading and needlework.

For a number of years, the favorite family hobby has been fishing trips. Mr. Myers commented that his wife "was a hard one to teach the art of fishing, but now she is one of the best fishermen around".

The couple recently went fishing at Port Aransas where they met a Negro chef who was serving as a general handyman on a deep sea fishing cruise.

"He was the doctor, cook and nurse on the ship," said Mrs. Myers. The chef, who had formerly worked with an American Oil Company, had served in ports of many foreign nations and shared some favorite fish recipes with the Myers.

"These recipes can be used for any type of fish," said Mrs. Myers. "We have tried them and like the variation from the usual fried fish."

BAKED FISH
Split fish, but do not cut into two pieces. Place in a greased baking dish and sprinkle with salt, pepper, garlic salt and butter mixed with lemon juice. Garnish with sliced lemon and wrap fish in foil and bake until done in a 300 degree oven. Bake approximately 30-35 minutes.

STUFFED FISH
Make a cream sauce or butter sauce. Fry chopped onion, celery and green pepper in a small amount of butter. Add to sauce and cook until thick then add small chunks of crab meat and chopped shrimp to sauce.

Sew up fresh fish, except a few inches at top. Stuff with sauce. Place in greased baking dish and baste with lemon juice, salt, pepper and 1 1/2 ounces of red wine. Place slices of lemon on top of fish.

Wrap in foil and bake about 35 minutes until done at 350 degrees. Serve with shrimp cocktail sauce.

TOMATO SAUCE FISH
Chop onion, green pepper and celery fine. Saute slowly in small amount of butter or oleo. Add one can of tomatoes or tomato sauce.

Place fish in greased baking dish and pour sauce over fish. Bake 35-40 minutes at 300 degrees.

FAVORITE FISH recipes are shared with our readers this week by Mrs. T.J. "Curley" Myers. Mrs. Myers and her husband obtained the collection of fresh fish recipes from a Negro chef whom they met on a recent fishermen's vacation to Port Aransas.

June Luncheon For Priscillas

Annual June luncheon for the Priscilla Needle Club was held last Wednesday at the home of Mrs. Alfred Bellah in Canyon.

The menu included fried chicken and trimmings and tables were centered with bouquets of roses from Mrs. Bellah's flower garden.

Assisting Mrs. Bellah with hostess duties were Mrs. J. M. Daugherty, Mrs. E.R. Cleavinger, Mrs. Tom Knighton, Mrs. T.S. Stevenson, Sr., and

Mrs. C.M. Presley.

Special guest for the occasion was Mrs. Fred Standley. Other members attending were Mesdames Mary Bonnie, Bill Crow, D.M. Foster, R.A. Hodges, Gladys Marshall, H.M. Stokes, Dudley Moore, Sr., and Mark L. Foster.

Next regular meeting for the club will be July 6 at 3 p.m. in the home of Mrs. Fred Standley.

PRISCILLA CLUB luncheon was held last Wednesday in the home of Mrs. Alfred Bellah, seated, left. Among guests for the occasion were Mrs. H.M. Stokes, seated, and standing, left to right,

Mrs. C.F. Marshall, Mrs. E. R. Cleavinger, Mrs. George Dudley Moore, Mrs. T.S. Stevenson, Sr., and Mrs. C.M. Presley.

Dallas Firm Features Cole

Bob Cole, former Canyon High School graduate, appeared in a Dallas Morning News advertisement May 29. He is the son of Mr. and Mrs. J.L. Cole of Canyon.

The advertisement-sponsored by Ling-Temco-Vought is entitled "Why Isn't Bob Cole Home Tonight?"

The advertisement mentions that although Cole works during the day at LTV Aeronautics division, he attends Southern Methodist University at night. Cole has two master's degrees from SMU and is working toward another advanced degree at night.

He has been with the company about seven years.

Whisker Contest Opens Round-Up

"Whisker time has arrived in Canyon again," according to Carl Miller, chairman of the Junior Chamber of Commerce sponsored beard contest.

The contest has become an annual attraction of the Randall County Round-up which is scheduled for July 22-23 in Canyon.

A beard judging contest will be held during the annual round-up celebration with the first place winner receiving a trophy and \$50 cash prize. Other awards will include a \$10 second

Promotion Day Set Sunday

Promotion day for all Sunday School departments at the First Presbyterian Church will be conducted Sunday, June 12.

The special promotion program will begin at 9:45 a.m. under the direction of Fred Olsen.

prize and trophies and plaques for both the second and third place winners.

Those desiring to enter the contest are urged to sign-up with Carl Miller, chairman, at the Buffalo Barber Shop. Sign-ups will be taken until Saturday, July 16, at 6 p.m. according to Miller.

Eligible to compete in the beard contest are persons who are living in Randall County. All who plan to enter the contest must be registered with the Jaycee chairman, Miller.

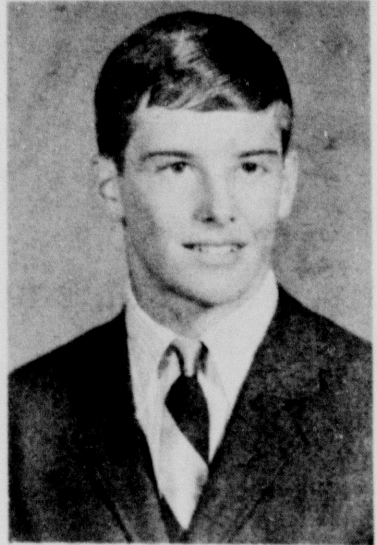

Out-of-town judges will be asked to judge the event according to Miller.

Shaving permits have been ordered and will be available within the next few weeks from any Jaycee member. Those not registered for the beard contest or wearing a shaving permit, which sells for \$1, will be dunked in the horsetank during the final days of the celebration week.

Area Boys State Delegates

Leaving Saturday for Austin and American Legion Boy's State will be Sherman Smith of Canyon, Bill Vernon and Mike McCorley of Happy.

Boys State will be held on the campus of the University of Texas June 11-18 with registration beginning at 2 p.m. Saturday.

SHERMAN SMITH

urday. Smith, Vernon and McCorley will join the Panhandle delegation which departs from Amarillo Legion Hall at 4 a.m. Saturday.

Boys attending are selected on the basis of scholarship, character, ambition, leadership ability and the ability to get along with fellow students.

As "citizens" of Boys State, the boys will be divided into two major political parties. The state will be divided into counties, precincts, judicial districts, cities, villages and rural communities in order to give concrete instruction in the different types of government.

Representing Canyon is Sherman Lynn Smith, son of Mr. and Mrs. Stanley Lair, 1204 9th Ave. He is being sponsored by Palo Duro Post 97 of the American Legion and co-sponsored by the Lion's Club and the Rotary Club of Canyon.

Smith is the newly-elected president of the Canyon High School Student Council, has been a member of student council this past year, was named to Junior Who's Who, participated in football, basketball and baseball, was a member of C-Club and the Art Club.

He will be a senior student at Canyon High School next fall.

Bill Vernon is the American Legion representative from Happy. He is the son of Mr. and Mrs. Clovis Vernon.

Vernon, who has a three year average of 94.28, participated

in football, basketball and track. He is President of the Student Council, co-captain of the football team, business manager of the annual staff and has been named to Who's Who.

In Interscholastic League competition he placed first in the district in Number Sense and Science, he participates in school and church choir, and this past week has attended the Texas Leadership Institute at Wayland College in Plainview.

Vernon has also been chosen to represent Happy High School at the Farm Bureau Citizenship Seminar at Baylor University in Waco, in August.

Woman's Study Club of Happy is sponsoring Mike McCorley as a delegate to Boys State. He is the son of Mr. and Mrs. J.B. McCorley.

Mike has a 90 average and has served as a class officer for three years. He is a winner in the Leadership Contest and in the West Texas State University History Contest.

A member of the annual staff, serving as photographer, he competed in Interscholastic League in Debate, Spelling and Ready Writing. He was a member of the Junior Play cast and

BILL VERNON

secretary of the Vocational Agriculture Club. He has been named "Most Appropriately Dressed Boy" for two years and won the Achievement Award.

American Legion Boys State is a plan for training in the functional aspects of citizenship. The program originated in Illinois in 1934 and now operates in 47 states.

Canyon Teachers Enrolled In WTSU Math Institute

Two Canyon teachers are among 43 junior and senior high school teachers participating in the National Science Foundation summer institute in mathematics at West Texas State University.

The institute--that began Monday--is sponsored by the WTSU mathematics department and director will be Dr. H.L. Cook, math department head.

The 43, all of whom except three are from Texas, will attend classes, lectures, and seminars of the institute. Each receives a stipend from the NSF for participating.

The eight-weeks institute will be conducted by Dr. Cook assisted by David Lasher and Fletcher Moseley, assistant professors of mathematics. Besides classes and special lectures, the institute will also feature field trips to such installations as the White Sands Missile Range.

Others selected for the institute were Gloria Bailey and Clair Mayes of Amarillo, Joe Woods, Drusilla Huston, and Orville Westbrook of Perryton, Robert Compton, Robert Sughrue, and Bryan Mitchell of Corpus Christi, Pat Garland and Wesley Scarbrough of El Paso, Alfred Bacon of Wichita Falls, Frank Birmingham of San Antonio, Pat Caruthers of Prentiss, Wart Cooksey of Munday, Bill Curry of Big Lake.

Wayne Green of Groesbeck, Ted Hale of Adrian, Leola Hon of Tulla, Henry Jennings of Hillsboro, McClain Lattimore of Waco, Pansy McCauley of Texas City, Lauro Munoz of Roma, Bob Painter of Sonora,

Records Show Fewer 'Guests'

Randall County Sheriff's records show that there were only three prisoners in jail last week as compared with 19 for the first week in June last year.

Arrests, however, for the first five months of this year were 56 as compared with 41 for the last five months of 1965.

Denny Park of Odessa, Rex Ranes of Naples, Earnie Reusch of Hamlin, Richard Roberts of Bovina.

Raymond Rogers of Pampa, Nicholas Season of Denver, Colo., Joe Simpson of Bronte, Charles Smith of San Angelo, Wallace Spencer of Pleasanton, Marian Stewart of Petersburg, Paul Stuart of Boys Ranch, Kenneth Swift of Sterling Colo., Willie Thomas of Lubbock, Johnny Thompson of Omaha, Loreto Trejo of San Diego, John Valentine of Crane, Ore.,

Jaycee-Ettes Plan Summer Activities

Canyon Jaycee-Ettes were entertained Monday evening with a summer business session and social at the home of Mrs. Meade Michael, northeast of Canyon.

Mrs. Guy Hamblen, president, officiated at the business meeting as the birthday gift was won by Mrs. Delbert Turk. The session was opened with recitation of the creed and a treasurer's report of \$129.68.

A "Have Your Say" topic entitled "Somebody Else" was given by Mrs. Carl Miller during the opening minutes of the program.

Mrs. J.W. Sims, chairman, reported on activities of the Fish Rodeo and concession stand held recently.

A report on an extension project being conducted at Lorenzo was given by Mrs. Meade Michael. Local members spoke to the group of Jaycee wives Monday evening, May 30, at a supper affair in Lorenzo.

Summer plans made at the meeting Monday evening included a Bingo booth on the square during the Randall County Roundup and Celebration on Saturday July 23. Appointed as chairman was Mrs. Weyman Brown. Other committee members are Mrs. Meade Michael and Mrs. Jerry Blackberry.

Mrs. Wayne Edmondson was appointed as refreshment chairman for Jaycee Radio Day on June 18. Other members of the committee are Mrs. Charles Marshall and Mrs. Steve Hill.

Hospital favors for July 4 were assigned to Mrs. Jim Scott, Mrs. Robert West and Mrs. J.W. Sims. Appointed as the Jaycee-Ette committee to help with the Jaycee fireworks stand were Mrs. Meade Michael and Mrs. Allen Parsons.

Plans were made by members to attend the summer Area convention this week end in Pampa. The local Jaycee-Ettes will be in charge of a clinic on chairmen and committees at the convention Sunday morning.

Thank you notes were read by Mrs. Hamblen, president, from the Gerry Kings, who have moved to Houston, and from Mrs. Jerry Swearingen, who was recently ill.

During the evening card games and charades were played by the group.

Attending were Mesdames Jim Scott, Guy Hamblen, Wayne Edmondson, Carl Miller, Weyman Brown, Charles Marshall, J.W. Sims, Robert West, and Mrs. Michael. Guests for the occasion were Mrs. Delbert Turk and Mrs. Gloria Taylor.

LIFE MEMBERSHIP and 50 year service certificates in the Order of the Eastern Star, Canyon City Chapter No. 105, were presented in ceremonies Saturday afternoon at LaCasa Canyon. Convalescent home to T.C. Thompson, Sr. Making the presentation is Mrs. Lorenzo Wirt, center, as Mrs. O.V. Weldert, worthy matron watches.

Burrus Family Has Reunion

A reunion for children of the late Mr. and Mrs. S.J. Burrus was held Sunday, June 5, at the Randall County Junior Livestock Building in Canyon.

A covered dish luncheon was served to 84 persons at the noon hour.

Present for the occasion from Canyon were Mr. and Mrs. Harley Burrus, Bradley Burrus, Mrs. and Mrs. R.A. Burrus, Mr. and Mrs. Jerry Swearingen and children, Mrs. Baxter Lambert and children, Mr. and Mrs. Tony Burrus and children, Mr. and Mrs. Ed Bourn, Doyle and Terry Bourn, Mr. and Mrs. Wesley Bourn and son, Mr. and Mrs. Jackie Whitley and daughter, Mr. and Mrs. Ray Metcalf, Glen Ray and Linda.

Others attending were Mr. and Mrs. Ray Burrus and sons from Lipscomb, Mrs. Pauline Burrus from Durant, Okla., Mr. and Mrs. Austell Burrus and children from Stinnett, Mr. and Mrs. Troy Burrus and Carrie from Amarillo, Mr. and Mrs. Glen Andrews and sons from Dalhart, Mr. and Mrs. Frank Mullican and children from Lubbock and Mr. and Mrs. Verla Simpson from Tulsa.

Also attending were Mr. and Mrs. Jack Metcalf and family from Amarillo, Mr. and Mrs. Hershal Burrus and family, Mr. and Mrs. Glen Burrus, all of Hereford, Mr. and Mrs. Glen Young and daughters from Pampa, Mr. and Mrs. Dickie Slaughter of Lubbock, Mr. and Mrs. Jerry McIntire of Amarillo, Mr. and Mrs. J.B. Hager and Barbara from Panhandle, Mr. and Mrs. Jack Woolery and family of Amarillo, Mr. and Mrs. Jack Burrus and family from Childress, and Mr. and Mrs. Bob Burrus and family from Center, Mr. and Mrs. Charles Burrus and son from Roswell, N.M.

Unable to attend the affair were Mr. and Mrs. Harley Hager and family from Odessa and Dennis Burrus from Durant, Okla.

Capers Install New Officers

New officers installed for the Canyon Capers recently included Lee Roy Pitts as president.

Other officers were the Dick Fosters, vice president; the Ray Griffins, secretary-treasurer; the Bob Gattens, reporter; and the Curtis Lehnicks, social chairmen.

At a recent meeting, the Reddy Squares of Amarillo recaptured their banner. Other guests for the dance were the Santa Fe Chiefs and Squaws and Lewis and Lace.

Knox Day, caller, was assisted by guest callers, Audrey Brown and Cecil Jones.

EVERY CHILD SHOULD HAVE GOOD TEETH

It is a mistaken notion that "Baby" teeth do not need care just because the body replaces them with "permanent" teeth. Imperfect "Baby" teeth often cause many later-life dental problems.

Every child should be taken to a dentist at about two and a half years to three years of age. By then all the "Baby" teeth will be in. The dentist will check for minute signs of decay, or any malformations which can cause later troubles. Dental patients under four years old have an average of three teeth that need fillings. If dental-aids are needed, whether it be a child's toothbrush or a good tasting effective tooth paste, we have a complete stock.

Southside VBS

THREE YEAR OLD students at Vacation Bible School for the Southside Baptist Church exhibit color books and colors which they will paint under the supervision of Mrs. Morris Maxwell, teacher. Students, left to right, in the front row are Reanee McKinney, Jay Andrews,

and Carl Morris Maxwell. Back row, left to right, are Lyle Seals, Anny Gordon, Tommie Criddle, and Mark Whitten. A total of 28 students are enrolled at the school which concludes Friday.

by John Brazzil

County Agent's Column

Young grasshoppers are appearing in abundant numbers in several areas of the state. In general, these are the same areas in which populations were heavy in 1965. As yet no serious outbreak of young hoppers have been reported in Randall County.

Ranchers in the east and southeast portion of this county should make an inspection of grasslands to be sure no infestation develops. Grasshoppers are relatively easy to control when young but become increasingly difficult as they near maturity. They are best controlled in their hatching areas before they begin to migrate over larger areas. Frequently, spot treatments of the hatching areas will prevent later widespread damage.

There are four insecticides now recommended for grasshopper control on range and pasture grasses. These are Carbaryl (Sevin), Malathion, Heptachlor, and Toxaphene. The Pesticide Regulation Division, USDA, has deleted the use of dieldrin and aldrin on grasses. Producers should pay careful attention to the label precautions before applying any insecticide to pasture or crops and observe strictly the prescribed harvest, grazing, or slaughter intervals.

Dairy farming is the only form of agriculture found in each of the 50 states. Dairying is the largest single source of farm income in the United States, providing about one-fifth of our agriculture income. More than one-half million dollars per year comes into Randall County from the sale of milk by local dairymen.

JUNE IS DAIRY MONTH ALL OVER AMERICA! Milk is a well rounded food wrapped up

in a single package. This nutritional package sells for half of what the same nutrients would cost in other common foods. Milk's a bargain in nutrition.

Call them "poverty" weed, "lawn milk weed" or other of the dozen or so names not so nice as these two. The fact is that it's a tough one to get rid of in a lawn. The herbicide chemical such as 2-4-D doesn't offer much help. The old hand pulling method is about the only sure eradication method.

Workshop Set For 4-H Revue

A "clothing workshop" for 4-H girls who have been club members four years will begin this afternoon, Thursday, at the Farm Bureau Building.

The workshop is a preparation course for the upcoming 4-H Dress Revue which is tentatively set for July 7. Garments will be judged on July 6 according to Mrs. D.C. Gamble, home demonstration agent.

Mrs. Gamble will serve as director of the workshop and assisting will be Willa Jane Elliott of Happy, a home economics major at Texas Technological College in Lubbock. Workshop sessions will be conducted between 1:30 and 4:30 p.m. today (Thursday) and Friday. The sessions will also be conducted at the same hours June 13, 14, and 15 according to Mrs. Gamble.

Educational Programs Set For WTSU Summer Session

An English institute and a number of education and music workshops are scheduled for West Texas State University during the summer season. The first six-week term opened Monday.

The English Summer Institute, second to be offered at WTSU, for secondary teachers of English is open to 40 teachers. It is designed to give instruction in language and linguistics and advanced study in literature and composition.

Participants receive a National Defense Education Act fellowship, and the institute is offered in cooperation with the United States Office of Education.

Three special workshops will be offered during the first term by the department of education and psychology, with three semester hours of credit in each. Each is for a three-week period, from 9 a.m. until noon daily. The first is "The Emotionally Disturbed Child," June 7-24. The other two, slated June 27 through July 15,

are "Secondary Curriculum Workshop" and "The Under-Achiever."

During the second term an Aero-Space workshop will be offered July 19 through Aug. 5; "Teaching of English" July 18 through Aug. 5; and "Secondary School Curriculum," Aug. 8-26.

The 14th annual Reading Conference, sponsored jointly by the Texas Association for the Improvement of Reading, and the WTSU education department, is scheduled Aug. 9 through 11.

Among workshops sponsored by the department of music are a piano teachers workshop that began Monday and will continue through Friday; a choral directors workshop, June 13 through 17; a music education workshop, June 20 through 24; and the 14th annual West Texas Instrumental Music Camp for junior and senior high school musicians, July 17 through 29.

A two-week high school workshop, sponsored by the department of speech will be offered July 3 and continue through July 15.

Registration for the second term will be July 19. The summer terms close Aug. 26.

Rites Conducted For Dr. Hicks, 68

Funeral services for Dr. Lloyd M. Hicks, 68, were conducted Saturday afternoon at LaGrone Funeral Chapel in Canyon.

Rev. Newton Starnes, pastor of the First Methodist Church of Canyon, officiated and interment was at Dreamland Cemetery under the direction of LaGrone Funeral Home.

Active pallbearers were Carl Periman, Chester Elliff, Cleron McMurry, O.J. Miller, Del Crist and Bill Hicks. Honorary pallbearers were Francis Shell, Dr. Robert P. Jarrett, Jess Hicks, Raymond Harrah, Angus Huckaby and Charles Williams.

Dr. Hicks died last Friday at Neblett Hospital and Clinic in Canyon. He had resided at Route 1 Canyon since 1963. He practiced dentistry in Memphis for 20 years and was a dentist in Pampa for 20 years.

On August 25, 1920, Dr. Hicks and the former Ann Jackson were married in Miami. He was born February 12, 1898 at Stephenville and was the son of the late Rev. J.T. Hicks and Mrs. J.T. Hicks of Abilene.

Dr. Hicks was a nephew of Rev. John Hicks who was a former pastor of the First Methodist Church of Canyon. He was a member of the First Methodist Church of Pampa. He was also a member of the Rotary

Club, the Shriners, the Masons, and Khiva Temple of Amarillo.

A veteran of World War I, Dr. Hicks graduated from Stanford College at Stanford and Baylor Dental College in 1921.

The family has requested that memorials be given to the Heart Fund in care of the First National Bank of Canyon.

Survivors include his wife, Ann of the home; a son, Lloyd M. Hicks, Jr. of the home; a daughter, Mrs. A.C. Stengel of Austin; a granddaughter, Lee Ann Stengel; his mother, Mrs. J.T. Hicks of Abilene; two sisters, Mrs. Earl Rowntree of Abilene and Mrs. Don Fischer of Decatur, Georgia; and three brothers, Dr. J.C. Hicks and Dr. A.W. Hicks, both of Fort Worth, and Dr. H.H. Hicks of Pampa.

Sports Spectacular Opens Registration Saturday

"Sports Spectacular", sponsored by the Canyon Junior Chamber of Commerce, will be held Saturday, June 25, according to Gerald Watson, chairman.

The local tournament will be conducted to select representatives to participate in the state Jaycee Sports Spectacular at Lubbock, July 7-9, and winners on the state level will be eligible to compete in the national meets for each event.

Track, tennis and golf competition will be conducted at the Lubbock meet with numerous guest speakers and demonstrations being given in each sports field according to Watson. Events at the state meet will be conducted on the campus of Texas Technological College and entry fees for local competitors will be paid by the Canyon Jaycees.

The golf tournament, to be conducted in Canyon, June 25,

will be held at the Canyon City Club and is open to all boys who will not have reached their 18th birthday by September 1. Categories will include the "novice division" for beginning and inexperienced golfers and the "open division" for advanced and more experienced golfers.

"We will send two boys from each division to the state meet," said Watson. Boys competing in the open division at the state meet will be competing for a chance to enter the National Junior Golf Tournament in Greensboro, N.C., August 7-12.

"We will play 18 holes of regular medal play," said Watson. Regular \$1 green fees will be charged for the tournament and boys who sign-up with either Watson at Cooper's Market or with Gene Deeds at the City Club pro-shop will have facilities at the local golf club available for practice rounds prior to the tournament at the regular green fee according to Watson.

Deadline for registering for the tournament is Tuesday, June 21, at 12 o'clock noon according to Watson. An expense paid trip to the three day state meet in Lubbock awaits the first place winner in each division and the division runnersup. Expenses to the national meet will be paid by the state Jaycees.

Events in track and tennis have not been planned for the local Sports Spectacular according to Watson.

WINTER - SPRING 1966

THE FRONTIER REAPPEARS

Land that hasn't been for sale for perhaps a hundred years was suddenly opened for public purchase this month.

Galaxie Land Corporation, with headquarters in Kingsland, has secured thousands of acres of what was formerly individually-owned giant ranches from the heirs of the original landowners.

This natural wonderland is called Royal Oaks and is located above Kingsland, where the Llano and mighty Colorado rivers join and pour into picturesque constant-level Lake Lyndon B. Johnson, formerly named Lake Granite Shoals.

The land is now being subdivided into tracts of all sizes, with sensible restrictions. Purchasers may choose from a waterfront lot to a Ranchette of 3 acres or more. Every lot or Ranchette has access to full lake facilities, including boat ramp and launching privileges.

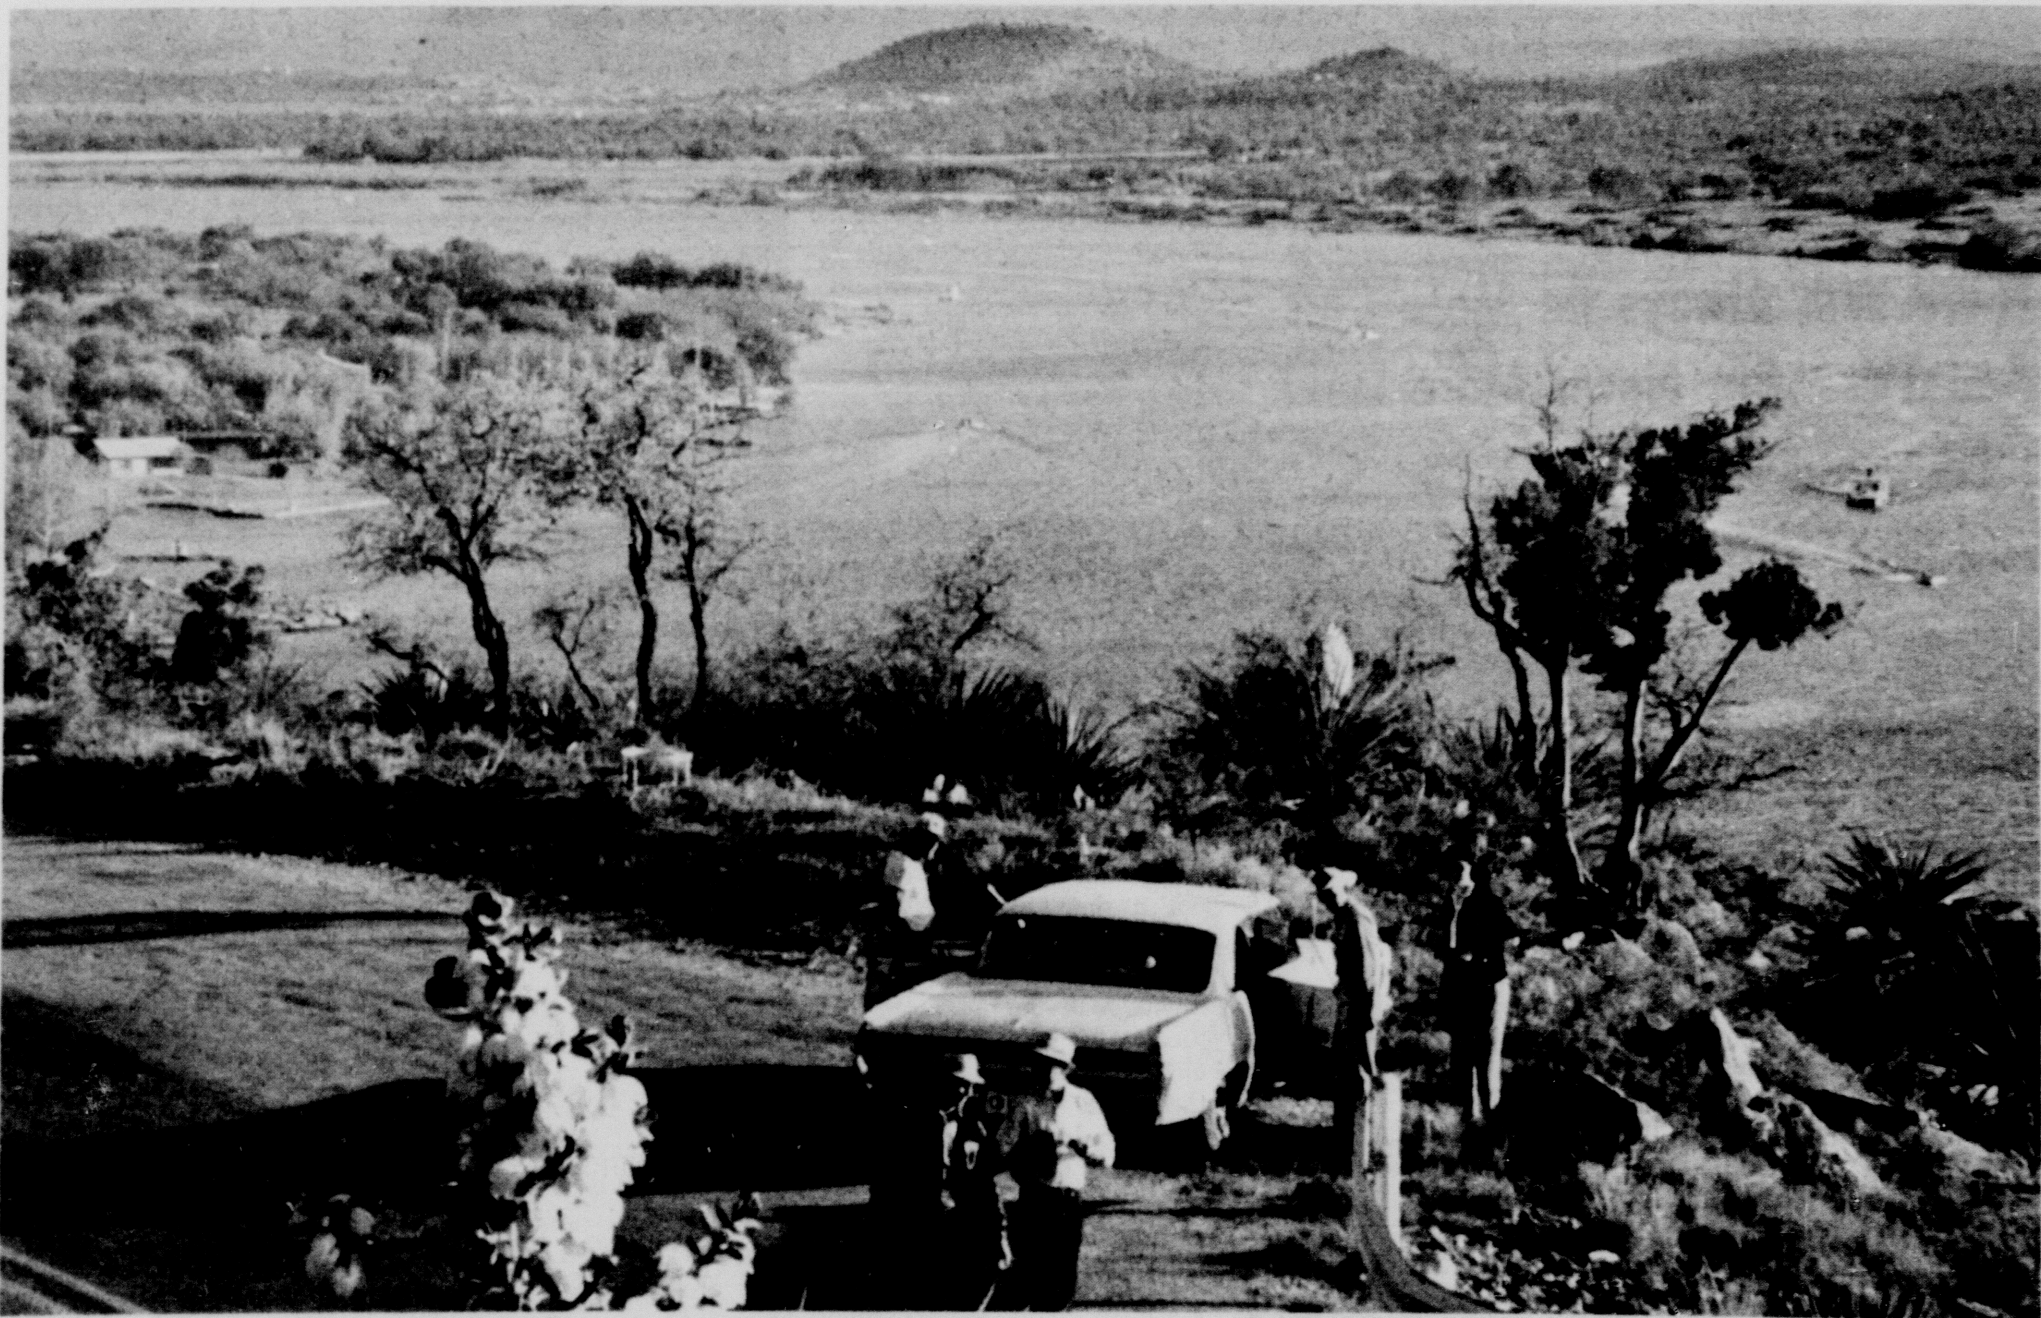

O. E. Ainsworth, long-time Kingsland developer and president of Galaxie Land Corporation, pointed out that the land currently being developed was not available for generations.

"Indians used to roam these blue-bonnet covered hills," Mr. Ainsworth said. "And when the white man drove the last of the Indians away he established huge ranches numbering thousands of acres each. This became great cattle country.

"But after several generations, the heirs of the original owners live in other cities. It is difficult to work a ranch from a distance, and not profitable. We have obtained this acreage from these landowners and now are making it available for the first time.

"We call it the Reappearing Frontier," he continued. "It vanished once, long ago, when the white man built his fences. For awhile now, it is reappearing—but only as long as the land is available.

"Soon it will begin vanishing again as new property owners pick up their deeds. And with it will vanish the opportunity—for many people—to own a part of it. We urge every interested potential property owner to contact us immediately."

INSTEAD OF DREAMING OF PARADISE, NEW LANDOWNERS LIVE IN IT—A picturesque view of beautiful blue Lake Lyndon B. Johnson, where fishermen take out the big ones and water enthusiasts enjoy their boats and skis.

Largest development on Constant Level Lake Lyndon B. Johnson. We are offering choice land carved from a ranch alongside the most beautiful lake in Texas with a magnificent view of the mountains. Sensible restrictions, wide choice of lots or ranchettes from 1/2 acre to 100 acres. Build a weekend cottage or sprawling ranch house. Fish, swim, ski, boat or retire with the confidence that your choice of a lake is joined by hundreds, including the President.

Now you can invest in well-selected real estate in a growing section of a prosperous community and adopt the surest and safest method of becoming independent, for land is the basis of all wealth.

Lake Granite Shoals Named for President

The Lower Colorado River Authority recently changed the name of the most famous of the Highland Lakes—Granite Shoals—to the name of its most famous "visitor"—Lyndon B. Johnson.

But President Johnson is more than a casual visitor to this constant-level lake alive with fish. He has a cabin on the lake and spends several weekends there every year.

Recently he took Secretary of Defense Robert S. McNamara boating on the lake. Many other of the President's famous visitors have enjoyed the blue water.

A letter from the Authority's board of directors to the President read, "Insofar as the men and women of LCRA are concerned, you have been our friend for many years and have made many contributions to the development of this organization and its accomplishments in serving the people of Central Texas with flood control, the conservation of water for useful purposes, and low cost electricity.

The letter noted that the

Alvin J. Wirtz dam, which created the lake, was dedicated by Mr. Johnson.

A resolution adopted by the authority's directors recalled Mr. Johnson said when he was a U.S. Senator, "Of all endeavors on which I have worked in public life, I am proudest of the accomplishments in developing the Lower Colorado River," where the lake is located.

The lake is 50 miles from the LBJ Ranch.

Lake Lyndon B. Johnson has 6,300 surface acres and is 22 miles long. Wirtz Dam is 100 feet tall and 4,816 feet long.

On the lake's northern extremity is located a federal fish hatchery which constantly provides new stocks for the Highland Lakes. As it winds its way 20 miles through canyons of the Hill Country it is broken by numerous coves and outstanding "bass holes."

Because it is constant-level, it is an ideal lake for summer cottages or permanent homesites.

A BUCK STOPS AND LISTENS—Deer abound on Royal Oaks Estates. The deer population is one of the heaviest in the state. Wild turkeys and other wildlife are numerous. (Photo courtesy Parks & Wildlife Dept.)

THIS IS THE MAGNIFICENT VIEW you will see from the terrace of the Highland Lakes Recreation Center. It's a wide panorama provided by the beautiful Hill Country. Lake Lyndon B. Johnson is nearby, with Packsaddle Mountain in the background, the entire valley circled by the blue hills.

Recreation Club Will Feature Marina, Golf, Tennis, Rifle

A club with full recreational facilities—including an 18-hole PGA golf course—will be built on a portion of *Royal Oaks Estates*.

Known as The Highland Lakes Recreation Center, it will be located on the old Haywood Ranch. Directly across the lake—on another portion of the Haywood Ranch—is the house and grounds used by President Lyndon B. Johnson when he is at the lake.

Club facilities will include a club house with dining facilities, bridge and tea rooms

and meeting facilities for both large and small groups. Also an Olympic size swimming pool with wading pools for tiny tots will be constructed.

Ben Hogan was advisor to the architect on construction of the PGA golf course. Mr. Hogan is also a charter member of the Center.

A marina will be included, as well as several Little League ball fields. A rifle and skeet range are in the plans, plus a tennis and volley ball court area, riding stable, and miniature golf course.

Five hundred families have purchased charter memberships in the club and that phase has been closed out. Their participation enabled the Center to be financed through a long term loan by the Farmers Home Administration.

Associate memberships are now available at \$200.00 per family. Associate members will enjoy full Center facilities although not actually participating in club ownership.

Emphasis of the club is on family activity. You may find yourself one day watching another family nearby—the First Family—as the President of the United States motors in and out in his boat, chats with his lake visitors or climbs into his Amphicar (land-water vehicle) which he enjoys driving.

There Will Always Be More Cars And TVs...But Never More Land

When land rises in value, it is responding to the law of supply and demand. There will always be more cars . . . more homes . . . more television sets — but there will never be more land.

A booming population must utilize the land

available.

Theodore Roosevelt said about land: "Every person who invests in well selected real estate in a growing section of a prosperous community adopts the surest and safest method of becoming independent."

DEATH BENEFIT IS OFFERED TO OWNERS

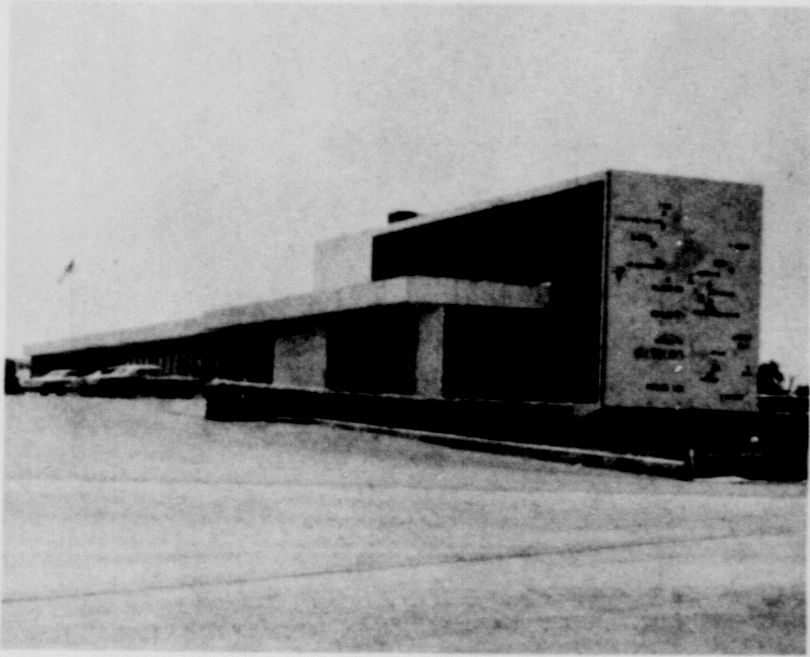

Galaxie Land Corporation has created a special benefit of new tracts the Highland

termed it a "Feature." It is a franchise policy, provide that in the event of the death of the owner, the property will be sold to the highest bidder at no further cost. This is a major selling factor in this unit and the purchase price is paid in at purchase

NEW BANK AT KINGSLAND—This beautiful new Highland Lakes National Bank is already a landmark at Kingsland. Its colorful mural depicts the stairstepped water wonderland of this central Texas area.

Shopping Center Ribbons Are Cut

A \$200,000 Highland Lakes shopping center at Kingsland serving a 20-mile area is being completed, according to President W. F. McCasland.

Shopping center chairman is C. A. Barnett. M. F. Wright and O. E. Ainsworth are vice presidents and Austin attorney John B. Selman is secretary.

The 25-acre center has eight tenants including Western Auto, Kingsland department store and postoffice, with a supermarket and variety store now under construction.

Town Has Changed—Fish, Water Same

If you wanted to go fishing at Kingsland fifty years ago you had to go about it the hard way . . . and thousands of people did.

You first went to a town that had a railroad depot from which you could catch a train to Kingsland. The ride was rough and tiring. When you finally arrived, you would stay at the Antlers Hotel without many of today's modern conveniences . . . and fish in the beautiful clear waters. The waters, in fact, are about the only thing that hasn't changed much at Kingsland.

No more trains go to Kingsland.

But automobiles do . . . by

spots for weekend cottages."

The magazine describes the drive from Marble Falls as beautiful, and explains how visitors and natives alike enjoy pausing at the roadside park for a long look at Kingsland and the lake spread out below, with history-rich Packsaddle Mountain in the distance. Viewers look out across one of President Lyndon B. Johnson's ranches which extends down to the shore, just across from town.

The magazine continues, "Couples who have traveled and lived all over the world say they have found that 'just right' spot at Kingsland.

There are oak and mesquite

Magazine Lauds Lake Area

(EDITOR'S NOTE: The following is an excerpt from a story which appeared in a recent issue of the statewide edition of Texas Co-Op Power Magazine.)

"Placid lagoons, craggy cliffs, fascinating wildlife, and lazy pastoral scenes in the Highland Lakes appear with every bend of the crazily-winding series of reservoirs.

"Dams along the Colorado River in Central Texas have created Buchanan, Inks, Granite Shoals, Marble Falls, Travis, Austin and Town

Lakes — stairstepping them through the Hill Country for more than 150 miles.

"A virtual water wonderland with miles and miles of waterfront has resulted. With only partial commercial development of the lakes finished, visitors can enjoy full facilities for boating, swimming, fishing and camping, or the family can just pick a spot and rough it.

"There are, of course, public boat ramps, swimming areas, fishing and camping grounds as well—most in and near Austin.

"First of the series of lakes

is Buchanan, which is 32 miles long and 8 miles wide, with 23,000 surface acres. This lake, surrounded by granite mountains, was completed in 1938 and has more than 79 resorts, with boat docks, air strips, restaurants, clubs and camps.

"Below Lake Buchanan, running three miles long and a mile wide is Inks Lake. This is a constant level lake with excellent facilities for boating and skiing. Featured attraction on the lake is Inks State Park, with 200 acres of hills, lagoons, and beaches.

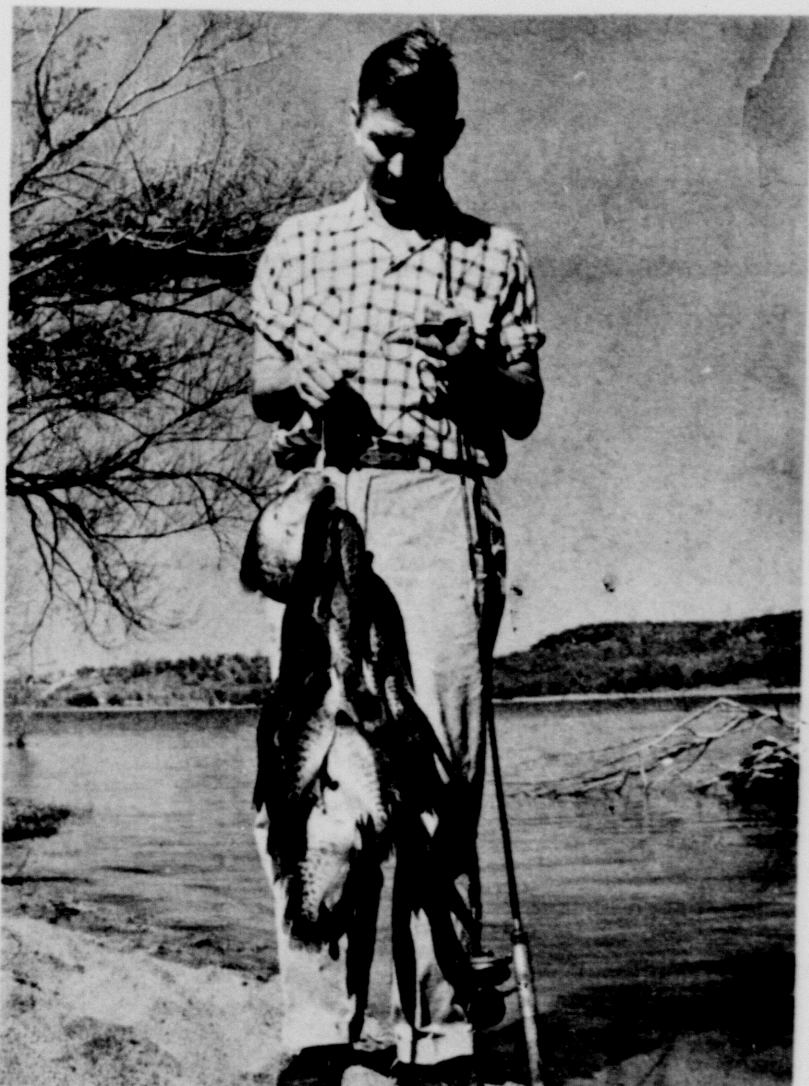

"Next in line is Lake Granite Shoals, (recently renamed Lake Lyndon B. Johnson), 22 miles of water meandering through the canyons of Burnet and Llano counties. A federal fish hatchery, which continually restocks the lake, makes this lake a 'good fishin' hole.'

"One of the most popular of the Highland Lakes is Lake Marble Falls, held in by the 90-foot high Max Starcke Dam."

Bluebonnet Country Lures the Tourists

The Land along the Llano is known as Bluebonnet Country. Each year millions of the blue flowers with white tips spring from the earth to form a carpet that blends with the blue sky, interspersed with Indian Paintbrushes and wildflowers of every color of the rainbow.

And each year the Highland Lakes Tourist Association sponsors the Bluebonnet Trail, which draws thousands of sightseers into the Highland Lakes country.

FISH BY THE DOZENS—To catch a dozen fish on Lake Lyndon B. Johnson is easy, most ardent fishermen have discovered. The constant level lake is well stocked and bass holes are numerous. (Photo courtesy Parks & Wildlife Dept.)

VIEW FROM THE TOP—Lake Lyndon B. Johnson is known as the President's Lake. It's easy to see why the nation's busy Chief Executive would enjoy this magnificent countryside and call it home.

the thousands. Many of them are pulling boats. Every car is loaded with people excited about what they will soon do at Kingsland. It has become, according to Texas Parade Magazine, "probably the 'boomiest' community in the Lone Star State."

Kingsland's growth has been phenomenal. Says the magazine, "It's fairly bursting with newcomers from far and near—a breed of water-loving, recreation-minded folks looking for ideal retirement

groves and hillsides of wild flowers that run the cycle from bluebonnets to blendings of yellows and reds. Whether these people live on lots or the little 'ranchettes' that are become increasingly popular, they see an abundance of deer, wild turkey, dove and quail. There's no "off-season" for Kingslanders, for this is a part of the Texas Hill Country considered to be among the most healthful climates found anywhere in the vast Southwest."
